BITS and PIECES

ASSHOLE OF THE MONTH

Having a girlfriend or a wife is always a pain in the ass. Women are forever trying to change the way a guy dresses; they badger him to make more money; the cunts are either on the rag or knocked-up. A steady bitch interferes with a guy's other girlfriends and frowns upon any hummers or humps he cops on the side. All of this we put up with in the name of love and for the sake of a reliable diet of acceptable pussy. But a woman's need to force her TV shows upon the dick in her life is unbearable, and that's why Ally McBeal is HUSTLER's Asshole of the Month for March 1999.

Television habitually blurs the line between reality and bullshit. That smeared perception is most pronounced when looking at 33-year-old actress Calista Flockhart and the character she plays on TV, Ally McBeal. To pinpoint where Ally stops and Calista begins is like trying to find the corner of a sphincter.

No one seems more confused about the melding of performer and role than Ally Flockhart herself. "I embrace everything about Ally," says Calista McBeal, and then: "I'm afraid that's all I'll be known for."

Is being known as Ally McBeal any worse than answering to the name Calista Flockhart? Neither skeletal bitch has any tits. Their shared mammarys withered away onscreen during the show's second season. A horrified public wondered if it was watching an infomercial for the Auschwitz lunch plan.

On the show, Ally is a twitching mess of neurosis and facial tics. She seems to be mocking a child suffer-

ing from a spastic disorder.

In real life, Calista is reported sitting "warily" at an interview, "tugging the sleeves of her sweater and rocking back and forth," for all the world like an inmate in an adolescent-psycho ward.

Ally the on-air character is described by the *Los Angeles Times* as, "The world's whiniest TV heroine."

The actual Calista, who was typecast in the leading role of 1992's *Portrait of a Bulimic*, whines, "It hurts my feelings that people are attacking my physical appearance. Think about how it would feel to have people say you look *horrifying*."

McBeal on Fox is a bitchy, snide twat who sees her hole as a great prize. McBeal makes sure that the

fictional prongs who bang her fake persona pay a price higher than what any pussy is worth.

In what passes for her true identity, Flockhart moans, "I haven't met anyone who I want to be my boyfriend."

Flockhart claims that she is not alone in Spinsterville: "My friends are all beautiful, smart women, all single, and you think, *Why?*"

If these broads are like Ally, it's no wonder they have no boyfriends. Imagine tongue-kissing Calista Flockhart. Try to keep the taste of her puke from seeping into your mouth.

Ally McBeal and Calista Flockhart share a single life's purpose. Their job is to sell tampons during the commercial breaks, but they don't look healthy enough to have men-

struated during the past ten months.

Ally McBeal the series is one more thing to hate about Mondays. The show's ensemble cast acts as though it was recruited from a proctologist's catalog of case histories. Most of these O-rings are pretending to be Boston lawyers. Ally is presented as a graduate of Harvard Law School. These portrayals are as realistic as John Candy playing an anorexic. The ridiculous miscasting provides the comedy half of this "acclaimed," "controversial" "dramedy."

The drama portion of *Ally McBeal* comes from the unrelieved tension of waiting for McBeal's group of friends and co-workers to stage an intervention and rush her to the closest Fatburger.

Flockhart denies published and broadcast speculation that she suffers from anorexia, an eating disorder generally associated with insecure, self-absorbed girls in their teens. The 5-6 celebrity train wreck's weight is generously estimated as hovering around 100 pounds. "I guess I don't know the exact definition of anorexia," she mopes.

The overage waif does, however, know the exact definition of her unusual first name. *Calista*, according to Flockhart, is a Greek word that means "the most beautiful." A more accurate reading might define *Calista* as a Hollywood term connoting "a spastic colon who is paid \$40,000 an episode to prove a truth about the female race that every intelligent male intuitively knows."

The fact is that women, *Ally McBeal's* targeted audience, are always attracted to Assholes.

Newt Gingrich and Saddam

Hussein: Is there anybody in the world who does not know that the Iraqi dictator is a turd pincher of historical caliber? Does any right-minded American believe that we've seen the last of a cloacal Congress's most noisome dropping? It's high time that both these turds upon the Free World

FARTS IN THE WIND

swirl into the vast toilet bowl of oblivion. Unfortunately, Newt and Saddam remain two Assholes on the horizon.

Joseph and Evangeline Combs: The Combses are a righteous couple from Tennessee, where Joseph is a former pastor of the now-defunct Emmanuel Baptist

Church. Court documents allege that Joseph and Evangeline kidnapped a baby girl from a children's home and brainwashed her into believing that God wanted her to be their servant. An indictment states that the girl, now 20, was physically and sexually abused by the couple. None is so shitty as an Asshole for God.

Dr. Laura's Furburger Furor

Full-of-shit radio-talk-show host Dr. Laura Schlessinger has made tens of millions preaching super-strict morality to subnormals. One of her stepping-stones to fame, retired Los Angeles radio personality Bill Ballance, took nude pictures of the holier-than-thou crone some 20

years ago, when Dr. Laura still had womanly charms and a poppin'-fresh snatch.

Ballance says the photos document his affair with the doctor. "She was still married to her first husband at the time," Ballance recalls. Ballance recently sold the pictures to Seth Warshavsky's Internet Entertainment Group, which runs CLUBLOVE, the Web site that dis-

tributed the Tommy and Pamela Lee videotape. When these pictures appeared at www.clublove.com, Dr. Laura took the matter into court, getting a temporary injunction against IEG.

On November 2, 1998, the United States Federal District Court in Los Angeles, California, ruled that IEG's distribution of these pictures doesn't infringe upon Dr. Laura's privacy rights. Hers is, after all, a celebrity pussy. HUSTLER prefers these poses to the doctor's current pose as a "born-again" Orthodox Jew and arbiter of morality. It's a shame that the world came to know Dr. Laura only after she started telling gullible listeners their business. In these shots, she looks like a decent slut.

The photos of Dr. Laura in this issue of HUSTLER were provided courtesy of CLUBLOVE.COM™. You can see three more pictures of Dr. Laura Schlessinger in the nude not available anywhere else exclusively and free of charge at CLUBLOVE.COM™.

Larry Flynt's Penthouse

Bums digging through Dumpsters at the 7-Eleven this past December may have noticed a jump in *Penthouse* magazine's quality that month. The explanation is simple: *Penthouse* reprinted old photos that were shot in Larry Flynt's private apartment for HUSTLER'S LEG WORLD. A Flynt Publications Art Director provided styling and creative guidance.

How did Larry's penthouse end up in *Penthouse*? Bob Guccione must be so old and hard up that reprinting a set from December 1997's LEG WORLD is better than commissioning something himself. Also, blame that fucking Guido—not Gooch, but freelance photographer Guido Argentini. In 1997, the wily, Italian shutterbug hid behind the alias of Henry

Larry Flynt's private apartment, as seen in *Penthouse*, December 1998

Moore in LEG WORLD. In *Penthouse*, Guido pretends to be Constantin Lachaise. Argentini's shoot in Larry's top-floor digs was arranged as a special favor by LEG WORLD Art Director Cynthia Patterson. Guido returned the favor by selling Cynthia's hard work into the shitty *Penthouse* toilet.

Readers who happen to have both the December 1997 LEG WORLD and the December 1998 *Penthouse* can compare the same photographs in two publications. LEG WORLD's reproduction is vivid and sharp. *Penthouse* is murky by comparison.

FEEDBACK

The Perfect Woman

I have enjoyed HUSTLER for about 15 years, and I can't remember seeing a woman as perfect as the centerfold featured in your 1998 Holiday Issue (*Sheena: May I Have This Lap Dance?*). Do you plan on having her in any future issues? I've really liked the changes you've made over the past year. Will you, by chance, start showing any double penetration?

—D. B.
via Internet

Thanks for being such a loyal subscriber. We're glad Sheena jingled your bells. We hope to break the DP barrier sometime soon, but until that glorious day comes, maybe we can tickle your fancy with pec and oral sodomy.

Loves Public Nakidity

I would like to give you a hearty bravo for the Holiday Issue 1998. The Holiday Issue blew me away. *Mary: Naked Lunch Break* was by far the best layout yet. Outdoor public nudity really does something for me. I always try to coax my girlfriend to expose herself in public, and sometimes she does, although not as much as I would like. Anyone could plainly see that your model *Mary* was in plain view of passing cars and people. I would love to see the photos that didn't make the issue. HUSTLER is always innovative and fresh. Keep up the great work, and I hope to see more outdoor public nudity in future issues.

—B. S.
Metairie, Louisiana

Thanks for the praise. How about you return the favor and send us a picture of your girlfriend pumping gas and flashing ass for HUSTLER's Beaver Hunt?

Love the Big White Dick

This is in response to D. W., the asshole who wrote "Fear of a Black Penis" in your Holiday Issue 1998 *Feedback*. I am a white female, and I have to say that I have never fantasized about being with a black man, nor have I ever been in love with one, nor will I ever be. Let me say for the record

When ordering merchandise through any mail order supplier, minimize your risk by dealing only with mail-order merchants who accept credit card payments and have a working phone number in their ads. Any offer that seems too good to be true is probably a scam.

that I am married to a white-American male, and he has a huge, white dick. My white husband fears no big, black dick, habv. Not every white male has a small dick, sweetie. And from what black women have told me, not every black male has a big dick; so please get off your dream

boat, and step into color reality—not everyone sees things in black and white. To me, HUSTLER looks pretty colorful—it has reds, greens, blues and pinks. Lots of pink. How dare D. W. call HUSTLER a "racist-ass magazine"! I love HUSTLER!

—A. K.
Jacksonville, Florida

Sheena: May I Have This Lap Dance?

Wake Up, America

I'm sick of hearing about race, race, race! Blacks aren't raping your wives and daughters; they're marrying them. I bet that if a black woman looked like Naomi Campbell and spread her legs for some of you white supremacists, you'd rather hang her than bang her. Wouldn't you rather have your daughter marry a black man than have a rich politician stick a cigar up her snatch? Wake up, America, whites and blacks, we're all being screwed—raped by the rich.

HUSTLER Chins No Balls

You are no better than your competitors, Larry Flynt. You are every bit as coward and chicken as they are. You don't have the fuck-the-establishment attitude that you claim to have. You don't have the balls and guts to feature—just for once—two guys performing fellatio on each other. Monica Lewinsky—what does she know? Straight women—what do they know? FEEDBACK

Clinton. He has no idea how much he's missing. He ought to have a stud instead of a slut giving him a blowjob. We gay men are the best cocksuckers and ball lickers in the world! —R. G. Chicago, Illinois

Hold it right there, ma'am! There is no hard evidence to prove that gay men suck cock any better than "sluts" do. To prove your point, HUSTLER suggests a side-by-side taste test—Monica Lewinsky vs. you. Winner swallow all. Let Bill Clinton decide: he's the authority. You can bet your sweet lips that we'll print the pictures.

Wants Free Ride

I am writing you this letter with hopes that you can make a wish come true for my dying son. My son has AIDS. Four years ago, a drunk driver ran my son's car off the road, killing his wife and two beautiful daughters and almost him. My boy had to receive several blood transfusions, and one pint of blood was tainted with HIV. My son is also paralyzed from the waist down, and the doctors tell me that he has two years or less left to live. I love my son more than anything else in the world, and I just want to give him some happiness that he hasn't known in a very long time. HUSTLER is his favorite magazine, and I would love to buy him a two-year subscription, but I'm unable to afford to buy even a single issue. Could you help me by sending a free subscription? —S. P. Comstock, New York

If your kid already has AIDS, let him keep his dignity. Try begging Guccione. He's giving his shit away.

HUSTLER vs. Penthouse

My husband and I have been avid readers of your magazine ever since I appeared in *Beaver Hunt*. Recently, we received a coupon for a free issue of *Penthouse*, and, well, free is free: so we got the issue. Some of it was interesting, but the pictorials were no contest. Maybe you should let them in on your style, because they have obviously never read your magazine. Keep up the good work, HUSTLER. —E. M. Manchester, New Hampshire

The December 1998 Penthouse not only adopted HUSTLER's style, they printed photos shot in Larry Flynt's private apartment. Check out page 8 of this HUSTLER issue to see the only good part

of a Penthouse from the past 20 years.

Expose Those Politicians!

Thank you, Larry Flynt, for making the million-dollar offer for evidence of affairs with political leaders. Please publish anything you've discovered so far. What you're doing is one of the greatest uses of power I've seen. So many people get screwed by people like Starr and the power behind him. Your response is one of the best things an individual has done for the people of America in a long time. I can't wait to see these supposed pillars of society exposed. Thank you, from America, for making that offer. —J. J. via Internet

Prison Pussy

What's up? I'm just having fun dreaming of pussy, sitting here in prison. The good thing is that I have found the best thing next to pussy, and it's easy to make. You can make the so-called Fee Fee pussy at home with the following materials: one towel, one latex glove and your favorite lotion. First, take your towel, and fold it in half. Next, place the latex glove at one end, fingers toward the center. Next, roll the towel up tight like a Tootsie Roll (if you like virgins) or loose (if you like fat broads). Next, pull the excess wrist-band

part over the towel so your pussy doesn't fall apart. Lube it up, and you have your own personal pussy that works and feels great. Also, please pass along my address to any woman that would like to write to a person who likes to fuck towels. —F. P. Susanville, California

Thanks for your recipe for self-abuse. The women of America can't wait to see you demonstrate your new invention on Live With Regis and Kathie Lee the instant you spring from the big house.

Tolerant Prisoner

I'm lying here in my cell looking at your 1998 Holiday Issue. I'd like to personally thank Larry and the entire staff at HUSTLER. You guys are fantastic! But some of the readers who write you are dicks, especially that black who downed the whites ("Fear of a Black Penis," *Feedback*, Holiday Issue 1998). C'mon, you guys! HUSTLER has been pleasing us all for years. In my opinion, no one beats HUSTLER's wide selection. Listen. I've been in prison for 24 1/2 years with no pussy. I have \$290 worth of subscriptions to sex magazines; so I ought to know. To that black dude who wrote that letter, man, chill out! Because, just as you said, white women like black dicks. Well,

Mr. Flynt Hung Like Horse

Many years ago, I had a race horse I named Mr. Essex. He's dead now, and I'm looking to replace him with another one, and I'm going to name him Mr. Flynt after HUSTLER's Publisher. I hope the horse will be just like Larry Flynt. He'll be hard to beat.

—J. C.
Baltimore, Maryland

Let's hope your Mr. Flynt isn't too much like our Mr. Flynt. Not many horses win the Kentucky Derby when they're running with a constant hard-on.

Prison Bans HUSTLER

The purpose of this letter is to inform you that the Oregon Department of Corrections (ODOC) has adopted an administrative rule that will prohibit its 8,000-plus inmates from receiving your publication. We are also hoping that you might be willing to assist us in challenging this rule as violating the First Amendment rights of both the Publisher and inmates. A review of back issues of your publication revealed that it contains one or more items which fall within the scope of ODOC's new sexually explicit-material ban, and as such, ODOC inmates will be prohibited from receiving your publication as of December 1, 1998. Thank you for your time and helpful assistance.

—M. W.
Oregon State Penitentiary

Don't you guys get fucked enough in prison? Fuck! Rest assured that our lawyers are aware of your predicament and are reviewing HUSTLER's options. In the meantime, consult the previous letter, and make a Fee Fee prison pussy.

Military Bans HUSTLER

I'm an American service member serving in Europe. My wife and I arrived here in June of 1998. Things were going great until September 22, when some bag of smashed assholes decided that my wife and I can no longer purchase your fine publication. For those serving Stateside, this is not a problem, but here in

Olsen Twins Naked?

I'm a big fan of Mary-Kate and Ashley, the Olsen twins. Is there any chance of

you guys printing a pictorial with them 69ing each other?

—W. Y.

To be truthful? No chance at all. But check out HUSTLER'S BARELY LEGAL for an attractive substitute to your pedophilic, troll-doll fixation.

Well-rounded student Christy of Birmingham, Alabama, first captured the imagination of Larry Flynt's readers when she appeared in the December 1998 issue of BARELY LEGAL's *Corky's Clubhouse* playing chess in the nude. A winning balance of brains and beauty, the 19-year-old erotic debutante has made a memorable entrance into the world of porn. Now HUSTLER readers will decide if Christy earns the title of *Beaver Hunt* Grand Prize Winner, including \$5,000 in cash and a trip to a glamour capital to shoot a HUSTLER photo layout

JEANNA FINE TELLS THE
FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

TAKE IT LIKE A MAN

I'm a 34-year-old man and very bi-oriented. I love to take it in the ass. I met this girl two weeks ago. Things are great between us, but how do I tell her that I like a prong up my ass? —K. S.
Fremont, California

As is the case with so many things in life, the solution to your problem can be found in the adult section of your local video store. There are several companies that specialize in male-bottom/female-top videos, and any number of their products can help you drop hints to your sweetie. Start slow—bring video play into your relationship with milder fare, then slip a male-submission tape into the VCR. When a pair of boy butt cheeks spread for a probe, test the waters by saying, "That looks interesting," or, "That might be fun." You should know pretty quickly whether your girlfriend likes the idea of making you a wide receiver or not.

THE GREAT DEBATE

My question is, what's more attractive to a woman, looks or brains? I'm 26 years old, good-looking, well built and intelligent, but I'm also very shy. I'm afraid of being rejected, although I'm very funny and can make friends quickly. Also, how can I tell if a girl is interested in me?

—T. R.
Sioux City, Iowa

I have always said that a sense of humor is far sexier to me than one's looks and endowment. However, my preference in partners is the least of your concerns.

You work very hard at the beginning of your letter to convince me that you're a catch, when you should be concentrating on convincing yourself. Self-confidence radiates outward and attracts healthy people. Project your worthiness. When you encounter the object of your erection, strike up a conversation; if she responds with a smile on her face, it's an easy segue to, "Would you like to get together for a cup of coffee?" Once you've jumped that hurdle, let things develop slowly—anyone worth having in bed is worth getting to know first.

JAILHOUSE COCK

My girlfriend and I were wondering if you know of any research that reveals how many men have fantasies of being raped by other men. For as long as I can remember, I've always had the fantasy of going to prison someday, whereupon I would be repeatedly buttfucked by other inmates. Do you know if this is a common fantasy for men?

—A. N.
Grass Valley, California

I'm not aware of any exact statistics, but I do know that your fantasy is more common than most men will own up to. Kudos to you for admitting your interest

in force-fed convict cock. I wouldn't recommend knocking over a string of banks to fulfill your fantasy, but you and your girlfriend should play with the idea. There's a great collection of short stories called Macho Sluts, by Pat Califia, that deals with male rape; pick it up, and use it for inspiration. On the way home from the bookstore, stop by your local costume shop and sex-toy emporium. Buy your girlfriend a strap-on and a prison uniform, and let the games begin.

PERIOD PIECE

Why are women so horny during their periods? What's the best way to remove blood stains from sheets after a messy round of menstrual fucking? —G. P.
Lodi, California

Surging hormones often overcome a woman when she's on the rag, leading to a libidinal jolt. Throw in other contributing factors—the fact that women are exempt from pregnancy worries during their periods and the primal reaction

KERI+VAL

CUNT-DEPENDENT

PHOTOGRAPHY BY MATTI KLATT

Volatile lovers Keri and Val have come to Mistress Ivy's S&M Therapy Clinic to work out their sexual issues.

"Keri and I fist on a regular basis, but I still feel she's emotionally unavailable," wails foxy dyke Val.

"I'm confused, Miss Ivy," complains Keri. "Most of the time, I feel like I was born to eat pussy, but once in a while, I crave something...different."

Miss Ivy pulls on the leashes of her captive patients. "Both of you are suffering from a clinical case of cock deprivation." The carnal counselor brandishes her massive strap-on. "How about a little dildo worship to break the ice?"

The troubled lezzies fall to their knees and lap hungrily at their analyst's fake prick.

Ivy is impressed with her clients' progress.

"Now you're ready for intensive she-dick therapy," says the therapeutic mistress.

The masked therapist pumps Keri's greedy snatch. When the tortured sapphire climaxes, Mistress Ivy reams Val's cock-starved snatch.

"You're a genius, Mistress Ivy," Val moans, accepting her therapist's surrogate schlong. "My phallic anxiety is completely healed."

"There's no better cure for penis envy," declares Mistress Ivy, "than hard-core lesbian love."

Dear Slut

(continued from page 21)

If you treat a woman well, and she leaves you for an abusive lout, pack her bags for her! Hold the door open, and tell her not to bother calling two months later when she's got a concussion.

that the scent of blood elicits in carnivorous animals—and it's little wonder that women crave coochie satisfaction when they bleed. As for the mess that results from rag jamming, keep a big towel on hand to cover the sheets when the moment arises, and switch to darker-colored sheets instead of white. If seepage still occurs, wash the soiled bedding in cold water; hot water will only set the stain.

WIFE WOES

Why do women always lose interest in sex after being in a relationship for a few years? I've been married twice, this last time for 11 years, and my most recent wife did not make love to me for a year before I finally moved out. She says she loves me, but our bedroom death is unacceptable. I'm 51, she's 46, three times a day would suit me fine.

—J. J.
Clinton, North Carolina

The first flush of new romance naturally brings with it the desire to fuck like bunnies on GHB. As familiarity breeds indifference, it takes more than a stiff prick waved in your wife's face to maintain her enthusiasm. Take a good look at the period just before the sexual freeze came over your marriage: Did you surprise her with flowers or offer her a massage on occasion? Did sweet nothings drip from your lips like wine? Romance is an integral part of a sexual relationship for a woman. If you don't want to lose wife number two, offer your heart along with your cock. Kindness and consideration are natural lubricants.

NOOKIE NOD

The first time I had sex with my girlfriend, I fell asleep immediately after having an orgasm. What caused this to happen? Have any of your male co-stars dozed off right after a sex scene with you?

—S. K.
Cashmere, Washington

Porn does not imitate life with regard to post-fuck napping. Usually, immediately after a pop-shot, the only thing anyone's thinking about is getting paid so they can go home. In the real world, however, drifting off after busting a nut is a perfectly natural reaction. A good orgasm releases absolutely all tension from the body; so enjoy the nap. Just make sure you cover the requisite amount of cuddling and compliments before you snooze so that you don't wake up to Bobbitt-like retribution.

SISTER ACT

I recently caught my sister-in-law "jilling off." I was so turned-on, I thought my cock would melt! I've tried to talk with her about it, but she insists that her masturbation is a private topic. She's probably right, but I'm dying to tell her that I support what she's doing and that one day I hope to masturbate with her. What's the best way to get her to open up?

—L. J.
Duluth, Minnesota

There isn't one. If she's your sister-in-law, she's either your wife's sister, or she's married to your brother; both possibilities render her off-limits. Go ahead and support her masturbatory efforts in thought, and feel free to jerk yourself senseless to her image. If you're looking for permission to fuck your sister-in-law, which I suspect you are, you won't find it here.

CHICKS WITH DICKS

Why do females always go for guys who treat them like shit? I would give a woman whatever her heart desired, but I can't keep a girlfriend; instead, they always end up leaving me for someone

who couldn't care less about them.

—A. L.
via Internet

Yours is an age-old question; if I could answer it, I'd be rich. I myself have answered the irrational call to play human doormat, though once was enough to set me straight. My advice is to let these female bundles of damaged goods go—if you treat a woman well, and she leaves you for an abusive lout, pack her bags for her! Hold the door open, and tell her not to bother calling two months later when she's got a concussion. Holding out for a partner who doesn't shun good love may be lonely, but trying to "cure" a habitual masochist will only waste your time and make you resentful.

HOT LETTERS

FASCIST FUCKER

Hopefully, HUSTLER readers won't look down on me for making a terrible confession: I've always been ashamed by my Judaism. Because I'm a leggy stacked blonde, most men don't assume I'm Jewish. So why let them know? If they found out, they might think I'm like the stereotypical Jewish-American Princess who withholds sex, refuses to suck dick and absolutely won't take it in the ass. Nothing could be further from the truth.... I'm the original Hebrew harlot! I spend my days praying no one will ask about my grandparents, Edith and Moishe.

Hiding my big Yiddish secret is quite a burden sometimes. I've taken to relieving the pressure in some pretty unusual ways. Like asking my boyfriends to dress as Nazis and violate me during "experiments." Most of my dates freak out and refuse to put on the uniform I keep hidden in my closet and administer my favorite turkey-baster enema. Lately, however, I've been seeing Frederick, who not only encourages my darkest desires...he improves upon them.

"Lie on your back, Jew dog," Fred barked at me during a recent play session. "Your arms and legs must be in the air like the cur you are!" I obeyed. My weighty boobs fell to the sides like obedient slaves. The vulnerable exposure of my tight, puckered bunghole meant Fred had some particularly dirty fun in mind. And he hadn't even donned the armband yet!

As I suspected, Fred surprised me with a bizarre device he had picked up at the hardware store. The small, metal box was a water purifier with a Fred-attached spout, conveniently hollowed from an old dildo. He forced the plastic tip past my agonized sphincters. I huffed at the initial intrusion; Fred shot me a hot glare.

"Silence! If you make another sound, the punishment will be severe." That threat only caused me to crank up my grunts and groans. Angrily, Fred ran to the bathroom, hooking up a tube from the sink to his device. A switch was thrown; warm liquid filled my colon.

The sensation was astonishing. Whatever mechanics were at work in that metal box, a hydraulic push forced my asshole to constrict and loosen with the steady flow. Although I knew the reprimand for spontaneous action would be

severe, I furiously frigged my clit between two fingers.

Fred screeched, "Ach! Unpermitted sexual pleasure! Will you Jews never learn?" He lunged for the sink and cranked up the pressure. My waterlogged anus could withstand no more. The muscles dilated; out popped the penis-shaped spout.

"Yesss." I hissed. The sound was echoed by the geyser erupting from my uncorked butt. Dirty water splashed upon the bed and even sprayed Fred's uniform. Now the nutty Nazi flew into an apoplectic rage.

"Why—you little—what—" Fred sputtered. Inspired, he brought his soaked crotch to the level of my enraptured face and demanded, "You must suck the pants dry of your filthy ass water." I applied my lips lovingly to the wet fabric and slurped, feeling the member within

White Angel

FULLY ERECT

Directed by James Avalon
starring Stacy Valentine, Chloe Nicholie, Laura Palmer, Charlie, Candy Apples, Leiranni Lei, Reyna Via, Ruby, Claudia, Julian Marc Davis, Brick Majors, J. J. Matthews, Anthony Crane, John West and Herschel Savage
Videocassette: Metro

In *White Angel*, Anthony Crane is in the "making-love business." He is a pimp on the day of his reckoning. Stacy Valentine, her full porky concupiscence squeezed into a tit-popping wedding dress, appears as an angel in Crane's midst to review his life of erotic misdeeds. The first damning incident of Crane's life occurs when, in the interest of paying his cable-TV bill, he turns out his girlfriend, also played by Valentine. Two tricks clamber aboard Valentine's chesty peaks and double-team her into a state of gooey surrender. Anal sinkhole Chloe Nicholle plays a hard-nipple red head seduced by Crane into servicing two of his buddies. Cocks slide between all three of Chloe's spuzz sockets. She writhes and gurgles as if seized by demonic possession. Crane's sins against womanhood mount. The viewer's palm trickles sympathetically with sperm stigmata. Outraged bitches unite and kill Crane at the end of *White Angel*, but not before he departs this world with a video pimp's highest accolade. Fully Erect. —Mack Assarian

Slut's Rite of Passage

The Making of a Vivid Girl

Vivid Girls are the envy of the smut world. The eerie perfection of their air-brush-quality smiles and sleek yet bountiful curves have earned them the reputation of being the Stepford Wives of porn. How is a Vivid Girl made?

The set of Vivid's *Tight Shots: The Movie*, starring and directed by Ed Powers, is a bedroom in a Hollywood Hills, California, mansion packed with cameras, crew and electric cables.

Powers cannot control the girl chewing on his testicles. She kneels beneath Powers's commodious, cement-sack belly. Her raven hair whips. She claws his buttocks and bobs ferociously on his bone-choking herself on each downstroke.

Powers shrieks, "You bit my hand!" His emerald-eyed assailant growls. She chants, "Come in my mouth, come in my face."

"I can't do that, honey," Powers states. "You can't come on the face of a Vivid Girl." He shoves the hyperactive tart and loses a gobby stream of white on her plump, gravity-defying chest cones.

"I like the sperm better to taste," whines the disappointed fuck bunny in exoticly accented English.

Meet the newest Vivid Girl. Her name is Veronica. She is a 22-year-old nymph from Hungary.

Vivid Videos owner, Steve Hirsch, signed Veronica to be his newest Vivid Girl two weeks ago, after a friend introduced them at Vivid's sprawling, San Fernando Valley, California, world headquarters.

Fresh from her baptism into filth as the newest Vivid Girl, Veronica is scheduled to

join Powers in the mansion's living room for an on-the-set press conference. Powers enters first. Pudgy and balding, with a ponytail and sloping shoulders, Powers resembles a down-on-his-luck car-stereo salesman. He lectures the assembled reporters on his favorite subject, Ed Powers.

Powers informs his listeners that his production deal with Vivid stems from the fact that he is a genius and everyone loves him. Want proof? Powers claims an FBI agent recently stopped him on the street and gave him a hug. "We love you, Ed," Powers quotes the affectionate FBI agent as telling him. Powers drones on about his humanitarian efforts, his ability to seduce any woman on the planet, and no one is listening because Veronica has entered.

Veronica slinks onto a couch. "I did not know what Vivid was before two weeks ago." Veronica's Hungarian accent is a gooey purr, like Zsa Zsa Gabor with a mouthful of jizz. "I am surprised why they want me to be a Vivid Girl."

Veronica's robe cascades open. Her breasts lift up like skin-covered rockets. Her fingers idly slide down her lithe, concave stomach and toy with the folds of her meat blossom. "My pussy is not too big, no?" she asks. "I used to play with myself so much when I was little girl. I worried it grow big. But I think is nice."

"I think the fucking is nice. And is nice too I will be a porn star. What you think?"

Veronica gazes at the half-dozen middle-aged porn scribes assembled in the room. No one answers her question, but their collective thoughts can almost be heard: *Vivid Girls is nice.*

Terrors From the Clit

ONE QUARTER ERECT

Directed by Siarn Wayne, starring Elle DeVine, Kelly Dean, Lizzie Borden, Erika Lockett, Porsha, Intrusion, Nikkie Love, Tom Byron, Luciano, Van Damage, Byron Long, Tony Eveready and Duke Flyswatter. Videocassette: Extreme Associates.

Are festering wounds sexy? *Terrors From the Clit* insists on answering this utterly unnecessary question. A schlock tribute to the horror-film genre, this vid delivers two gruesome images in its opening frames: Duke Flyswatter, in ghastly drag-queen plumage, and the only slightly less horrifying sight of pudgy swordsman Van Damage wearing a Prince Valiant wig. While Damage's sideways routing of udder-mammed Elle DeVine's crinkled shitter temporarily satisfies, the worst is yet to come. A pair of zombies (Damage again and Luciano) descends upon Kelly Dean, a redheaded minx with a talent for slobbering blowjobs. Under better conditions, the sight of Dean cramming her craw with two spuzz rockets at once would induce trouser tents. As it is, the leprous sores that cover her oral marauders' bodies elicit vomit, not cum. Kudos to the special-effects unit, but by focusing on the wrong type of gash, *Terrors From the Clit* lives up to its title in all the worst ways. —Shane Andalou

S.M.U.T. 7

ONE QUARTER ERECT

Directed by Dion Giarusso, starring Elena, Jordan Lee, Gina Rome, Delphin, Tricia Deveraux, Coral Sands, Nico Treasures, Roxanne Hall, Katie, Vince Vouyer, Ron Jeremy and Marc Davis. Videocassette: Elegant Angel.

A hootchie-packed Winnebago rolls the highways of sodom California in *S.M.U.T. 7*. A kittenish, blond, Russian tramp named Elena strips in the bedroom of the slut mobile. Elena is prize booty from the collapsed Soviet empire, but her anal plundering comes up short. English cock Marc Davis

leads the charge into Elena's shit sacristy. Elena's cutie-pie face contorts in agony, and she emits ear-shattering screams of unbearably faked XXX-vid orgasms. Each scene grows worse until a pit stop at Vince Vouyer's couch. Vouyer, an aging pseudohipster with a Moe Howard haircut, inserts his dong into the yip of a gabby flesh doll who continues talking even while giving head. Will anything shut this bitch up? Ron Jeremy pops in between scenes as a wisecracking host. Using Jeremy to make *S.M.U.T. 7* more palatable is like adding pickle relish to roadkill in hopes of improving the flavor. *S.M.U.T. 7* is a bad accident on the highway of erotic thrills. —M.A.

Sean Michaels' Erotic City 3

THREE QUARTERS ERECT

Directed by Sean Michaels, starring Deja Blew, Porsha, Victoria Rikki Moans, Nicole, Tony Eveready, Santino Lee and Sean Michaels. Videocassette: Elegant Angel.

Among the rites of passage that every budding porn starlet must complete, the Sean Michaels challenge ranks high. In *Erotic City 3*, the ultrasuave Michaels introduces a quintet of contenders to their mission: to devour as much of Michaels's massive black adder with their cock sockets as possible. Gagging and ruptured organs are grounds for disqualification. Blond trollop Deja Blew isn't the sweetest peach on the tree, but she gains extra points for subjecting her compact frame to Michaels's trunklike scepter. Nerps jutting like pencil erasers, Blew impales her twat on Michaels's mahogany truncheon. She spasms, as if electrocuted. As pink snatch, brown cock and white ass evoke Neapolitan ice cream, the viewer's own cream rises. Further on, Michaels vacuum-seals swarthy minx Porsha's dusky crap rings and pistons balls-deep. Porsha's head shoots up, awed by her own anal capacity. Pulling out, Michaels shoots; the viewer scores. *Erotic City 3* is well worth visiting. —S.A.

Close at Hand

Directed by Shawn Ricks
starring Dakota, Jena, Dee, Gina Ryder,
Sheli Sinz, Rikki M., Tony Tedeschi, Rob
Brandon Iron, Steve Austin and Jim South
Videocassette: Sin City

Close at Hand is a vehicle for doe-eyed, mulatto porn siren Dee to display her innumerable talents as a depraved slut. When Dee's husband, Rob, catches her in bed jacking her clit to a XXX video, Dee suggests the two collaborate on making an amateur fuck film. Rob smiles at the idea like a pimp greeting a fresh \$100 bill. Dee plunges into in a threeway pork pile and munches male and female genitalia while hubby leers and strokes his cock encouragingly. As with diamonds, a single flaw in a lovely such as Dee magnifies her beauty. In Dee's case, the flaw becomes apparent when she bobs choad. With a cock stuffed in her face, Dee resembles a guppy gulping in a fish tank. It is cute. More cute is watching Dee's unearthly, firm and natural milk domes orbit wildly as she vigorously ingests Rob's love bone. Dee and Rob's friends—whip-lashing lesbians and an assortment of extra-skanky brunettes—join in the homemade-filth project. The professionals who made *Close at Hand* expertly recreate all the mediocrity and cheapness of a truly amateur effort. —M.A.

Race Track Whores

Directed by Teri Diver
starring Candy Hill, T. J. Hart, Janis Jones,
Randi Storm, Brandon Iron, Steve Taylor
and Chriss Cannon
Videocassette: Odyssey Group Video

Race Track Whores initially threatens to stall, but quickly redeems itself. During the video's tedious opening montage, the viewer meets the utterly average-looking fuck dolls who serve as *Race Track Whores*' namesakes. Luckily, the waitress-plain tramps serve piping-hot snatch. A pair of young gearheads makes a brutal pit stop in Candy Hill. Grabbing her blond tresses, one easy rider fucks Hill's mouth savagely. His partner beats out a feverish rhythm on her freckled ass with his hammering pelvis. Elsewhere, Randi Storm gives a clinic on exemplary cocksucking. The aquiline-beaked fellatrix puts her serpentine tongue through the paces. Rolling its length along a bulbous cob knob, she swallows the veiny staff whole with aplomb and obvious pride. In gratitude, the blowjob beneficiary pierces Hart's honeypot. Corkscrewed into chasmic circumference, Hart's flue winks at the camera lens, inviting the viewer into its sweet abyss. Filthy as a mechanic's fingernails, *Race Track Whores* captures the cum-soaked checkered flag. —S.A.

Fleishpots Piss on East Coast Video Show

Adult-industry trade conlalls have become more ubiquitous than hairs on Ron Jeremy's ass. Atlantic City, New Jersey, gambling mecca by the sea, hosted this year's East Coast Video Show from October 6 through 8, a valiant effort to deny the reality that there no longer is much of an East Coast video industry.

Sun-fried smutmongers from Southern California invaded the Atlantic City Convention Center. Amid glitzy display booths advertising flesh entertainments for video, DVD and the Internet, the floor was packed with drunk porn chicks, hangers-on trying desperately to get laid and shutterbug mooks popping snapshots of all the drunk porn chicks and hangers-on trying desperately to get laid.

Suckers who lined up for personally autographed porn-star photos at Wicked's booth were greeted by a slimmed-down but narcoleptic Jenna Jameson, who nodded off after a couple of hours of signing and retired to catch up on her beauty sleep in the privacy of a casino bar. Amerasian starlet Kimi Ji went MIA at her booth. Frantic promoters

recruited a Kimi Ji impersonator, reportedly from a local chop-suey joint. Her qualifications were slanted eyes and a stupid grin. The stand-in forged Kimi Ji's signature on hundreds of glossies for admiring dupes, proving the adage: All Asian sluts look alike.

Most of the excitement generated at this year's show stemmed from brazen acts of public urination and, in one case, defecation engaged in by inebriated skanks heeding urgent calls of nature. Toilets were jammed with paparazzi shooting stills of splashy harlots. Not to be outdone by Christi Lake's, Marilyn Starr's and Adara Michaels's feats of spectator micturition, Anna Male treated a throng of admirers to the sight of her pinching a loaf. Shutters continued to snap as Male wiped, and her shitty perfumes wafted from the confines of her stall.

The East Coast Video Show left order books unfilled for most manufacturers but philosophically bent perverts were left to ponder: If a porn star takes a dump in the toilet, and there's no one there to take a picture, does it still make a splash?

Lake overflows (above); Banana chicks blow (below).

The Show 3

HALF
ERECT

Directed by Paul Thomas, starring Leslie Glass, Randi Rage, Morgan Fairlane, Jacklyn Lick, Reyna, Tom James, Tony Tedeschi, Vince Vouyer, Ricky O', Mr. Marcus, Michael J. Cox and Steven St. Croix. Videocassette: Vivid.

There is but one criterion that distinguishes good porn from bad—namely, its ability to enhance the onanistic process. Nonetheless, ill-conceived attempts to legitimize porn, such as *The Show 3*, continue to clog the shelves. A low-grade homage to *The Player*, *The Show 3* interlaces a cumbersome tale of show-biz skullduggery with pointless nonsex cameos (Ron Jeremy, Buck Adams, Kobe Tai). *The Show 3* makes the occasional cursory stab at arousing its viewers. Manhandling a feisty, tiny-titted brunette, Vince Vouyer grips two handfuls of well-toned ass and pulls her onto his lap pole. A mini-man pops out of her tank top as the slutty gamine bounces rabbitlike on Vouyer's carrot. Finally, she utters the perfect midcoitus sweet something: "Now you wanna fuck me in the ass?" Answering the obvious, Vouyer inches turgid flesh hose into winking browneye. Too few and too far between, moments like this barely save *The Show 3* from an otherwise well-deserved cancellation. —S.A.

Johnny Toxic: Action Man 2

ONE-QUARTER
ERECT

Directed by Phoenix 13, starring Meridian, Candy Hill, Kira, Jazz, Porsha, Lennox and Johnny Toxic. Videocassette: Sin City.

More erotic swill from Johnny Toxic. The Toxic style is gonzo so raw that the vomit stains on the furniture can almost be smelled on the TV screen. How skanky is the talent employed by Toxic? Candy Hill, her face sexy as a fuck doll's after being run over by a garbage truck,

squats in an alley and jams a log-size dildo up her clam. When she extracts it, brown clumps that resemble shit balls cling to the side of the false phallus, as if Hill had somehow dug poop from her pussy. Impossible? Later, Toxic jabs at Hill's vage after dabbling in her excrement zone; scenarios of how an overfucked porn slut's cunt might dribble crap race through the viewer's mind. Kira and Porsha achieve hottie status when appearing in other vids, but in Toxic's scuzzy production, all females look like they could have shit dribbling from their clams. *Action Man 2* is a visual turd. —M.A.

ERECT

Directed by Toni English, starring Lori Michaels, Chloe Nicholle, Felecia, Tia Bella, Katie Gold, Kyle Stone, Michael J. Cox, Nick East, Tony Tedeschi, Steve Hatcher, Jim Steel, James Nono and Toney Belize. Videocassette: Vivid.

In *The Kiss*, Kyle Stone portrays a hapless schlub frustrated by his inability to ignite roommate Lori Michaels's passion. If Stone's twee nasality and ear-ringing didn't scream "flaming homo," he might succeed. Luckily, the leggy, doe-eyed brunette is much more generous to the armchair stroker. Michael J. Cox's flesh pole spars with Michaels's tonsils in a flurry of vicious jabs and parries. Michaels subdues the pugilistic pud with feminine wiles. Smothering his shaft in a throat hold, Michaels immobilizes Cox with a hypnotic gaze. In consolation, she serves a slab of chiseled rump to the defeated crow jammer. The viewer salutes her good sportsmanship with pounding fist. Elsewhere, a sapphic triangle ensues between Michaels, Tia Bella and Felecia. Limbs intertwined, the trio trades licks in a loving jam session, culminating in a crescendo of deep soul kisses. Cocks weep tears of jazz at the poignant display of sisterly affection. *The Kiss* smacks of greatness. —S.A.

Real Sex Magazine 15

Directed by Wildbill W trock
starring Jenny, Vanity, Retea, Kim, Teri,
Brick Majors and Dave Hardman
Videocassette: Odyssey Group Video

The reality behind *Real Sex Magazine 15* is that its makers could only find two flesh starlets who would take dick on camera. Jenny, a redhead sylvh from Hungary, displays doll-perfect wobbles on her slender, flared hip frame. Beefcake boss bozo Brick Majors puts the Hungarian sweet tart through the paces in vage-oriented coitus that ends with a spunk paintjob on her grin. The spontaneous-interview formula, in which a naked vet bashful hootchie responds to probing questions from an off-camera putz, reveals no surprises. When Texas-born porn cherry Vanity is asked what she likes, she responds, "Giving head." No surprise there. An interview with the wallpaper might have been more interesting. Vanity pleases with a snaggle-tooth, heart-shaped smile and ripe-to-bursting, all-natural C-size melons. She copulates conventionally with a grunting creep, and *Real Sex Magazine* closes with a solo masturbation and a lame girl-girl lick-off. Add six decent scenes, and *Real Sex Magazine* might not be a real dud. —M.A.

 ERECT

Directed by James DiGiorgio
 starring Temptress, Cheyenne Silver,
 Elena, Tracy Love, Nina Whett, Fiero, Rebecca
 Janis Jones, Alec Metro, Chriss Cannon,
 Brandon Iron and Tice Bune
 Videocassette: Sin City

Temptress looks like Brooke Shields and narrates *WetScape* with the enthusiasm of an autistic deaf-mute. Temptress also, unfortunately, has cottage-cheese thighs and what appears to be a diaper rash. These flaws are evidenced in *WetScape's* opening scene, in which Temptress receives a doggy-style stuffing from a blond bonthead in a goalie mask. Other highlights: said bonthead's waist flab and sweat-covered ass. Better times follow. Cut to Tracy Love, Cheyenne Silver (a/k/a Wildcat, a.k.a. Languid Porn Zombie) and Elena exploring each other's taut body in a Jacuzzi. Love very much resembles renowned dyke Ellen DeGeneres, especially with her hook nose buried in Elena's barely postadolescent snizz. Dildos and spit are swapped like business cards. Sadly, such bliss is fleeting. Enter Alec Metro, who mars a promising blowjob scene by pointing at a fellow woodsman's groin and rubbing his own crotch approvingly. Uh-oh. Such icky homo badness makes *WetScape* a very scary sight. —S.A.

(a pussy-whip-wielding Jeanna Fine) have assumed the presidency of a porn-video manufacturer. With the first couple of sleaze alone in the new oval office, Fine flashes a castrating, Hillary Clinton grin and devours Stone's full presidential staff. Stone-as-Clinton sprawls in his oval-office chair and beats off while watching Fine chew the fluff-haired snizz of a White House intern. "Monika, Monika," Stone babbles. Fine-as-Hillary snaps, "What did you say?" Stone whimpers, "Hanukkah, dear. I

said, Hanukkah." Stone as the cowering horndog Commander-in-Chief to Fine's emasculating First Bitch is a comically trenchant portrayal of life in the X-rated White House. A Las Vegas hooker and scuzbag subplot ensures plenty of meaty hard-core couplings. Delivering on the promise of its title, each cock-sucking cutie gives choke-deep fellatio before sinking to satisfying levels of anal and vaginal perversities. The only entertainment dirtier than *Deep Throat: The Quest* is the Starr report. —M.A.

twitch to life. Unable to wait another moment, I unbuckled Fred's gleaming belt and aimed his Aryan hammer onto my tongue.

My oral indiscretion meant repercussions in my still-suffering pooper. Fred jammed his middle finger up the monkey hole while removing himself from my hungry maw. Properly lubricated, he then lifted my ankles higher...and buried his third leg between my cheeks.

I called out, "Mein fuehrer," which pleased Fred greatly. In return, he pinched my clitoris again and again while plowing my ass pit. Orgasm after orgasm set my Hasidic hole on fire.

Mere seconds of sodomy led to my large intestine being filled with another warm liquid. This time, it was a discharge from Fred's bratwurst. He stayed inside my sphincters for a few more spermy strokes. Upon withdrawal, I was ordered to lick the tainted cob clean.

I hope no one thinks my bedroom behavior is sick or that I'm a bad Jew. Fred and I won't engage in such kinky behavior on the high holidays. Unless I'm really horny.

Trenton, New Jersey

BRIT TIT HOORAY

I fulfilled a lifelong fantasy last night by bagging a British broad. Ever since I was a kid, I've had fantasies about some nanny type proclaiming me naughty and throwing me over her knee. As she slapped her hand against my bottom again and again, I would accidentally gush semen upon my nanny's leg. Which would, of course, lead to another spanking.

It's something about the accent or the way British people act so superior to us ugly Americans. Princess Di was one of my favorite masturbatory icons for years. When she was married to Charles, I dreamed of double-stuffing her hot, pale-blond crotch with the jug-eared, inbred freak. Later, during her bogus humanitarian phase, I imagined myself as a starving, black child who suckled at her creamy teat. I'm ashamed to reveal that I actually speculated about the messy fun of being the first to discover her mangled body. Come on, admit it—all you HUSTLER readers enjoyed that fantasy too! And don't start me on my ski-masked-prowler-in-the-Spice-Girls'-dressing-room whackfest.

I think I first realized I was an Anglosexual watching old episodes of *The Avengers*. Not the godawful movie starring that ripe piece of ass Uma Thurman; I'm talking about the television

series, which unleashed the even more voluptuous hind end of Diana Rigg. She was a tall, thick-hipped heifer in a skintight, black bodysuit. Puberty basically began for me during an installment where Miss Rigg bent over to pick up a loaded crossbow. Between her legs, I spotted a reverse camel toe that seemed to wink lasciviously. The image wrecked me. I was hooked for life on bad teeth, big tits and black boots.

Little did I realize that Brit bitches want absolutely nothing to do with a big, oafish horndog from the wrong side of the pond. There used to be an authentic pub in my neighborhood. I hung around for months on end, praying one of the aging floozies would drink too much stout and accept my stout one. Tragically, I only received offers from guys, leading me to the conclusion that all British men are closet homos. So why aren't their women desperate to jump on anything with a heartbeat and a hard-on?

The answer came to me (so to speak) while waxing my pole to a perfume ad featuring Elizabeth Hurley. She boinks that faggy, whore-hopping Hugh Grant, who craves black stank, but flounces like a fairy across the Mersey. If I pretended to be a raging queen, perhaps a

supermodel-quality anal-sex freak would fall for my fuck stick too! (I have no definitive proof of Miss Hurley's predilection for nasty back-door action. The perpetual, lewd sneer upon her perfect face should in no way be taken as evidence that she can't go 24 hours without a massive rod buried in her sweet shitter. My theory about British men being secret tea baggers, however, is a proven fact.)

I hatched one hell of a plan while passing by a local movie theater. Some atrocious, fudge-packing epic about glam-rock stars was befouling the screen. Seized by inspiration—and the sight of a short, mammarian-gifted redhead leaving the lobby—I stood outside with a limp wrist as if I had just suffered through the unwatchable mess.

"Excuse me," said the big-chested babe. "Wot time did the pic-chah staht?" Was that the smell of fish biting for my bait? *Indeed!* Soon, the merry old slut from England would be chowing upon my wriggling worm. Patience was essential. I stared off into the distance with an air of effeminate indifference.

"Hmhf," I contemptuously exhaled, as if clearing a stray gob of guy goo from my esophagus. "I certainly wouldn't

(continued from page 43)

Her nerps were pale, which almost gave the spouts the illusion of being invisible among all that teat. Nothing but milky sack danced before my astonished eyes!

know. Dreadful thing, this so-called film. Exploiting the incredible genius of great artists like David Bowie and...*uhh*...other homosexual musicians." Perhaps I should have done more research before hatching my bird-bopping scheme. My prey didn't seem to mind or notice; in fact, her nipples were growing larger beneath her T-shirt (which featured two hideous, hairy trolls and the word *Oasis*). Her stunning, green eyes grew bigger as well. They had to in order to accommodate the sight of the burgeoning boner in my jeans.

She took a second to catch her breath—which made her bosom heave in an appealing manner—and announced, "My name is Julia. Care for a spot of head at my flat?" I wasn't absolutely sure, but I suspected she had just offered to blow me. Of course, such assumptions got me arrested when I beat the shit out of a guy at the pub who asked if I wanted to suck a fag. This able-bodied, fiery-tressed bimbo was worth the risk. With a crooked, orthodontically incorrect smile, she took me by the hand and led me to her apartment on foot.

Once inside, the cranked-up cock-sucker could hardly wait for a taste of USA prime beef. Before I closed the door, she was already on her knees and unzip-

ping my fly. My johnson flopped out and made a slapping sound against her forehead. The considerable length and heft of my joint obviously impressed her; Julia wrapped one tiny hand around my base and undid her own pants with the other. She stroked the monster, watching in amazement as I grew to blood-engorged fruition. Then she opened as wide as possible and choked down a good, throbbing six inches.

"Ahhhh," I sighed, placing my mitts on the back of Julia's head and forcing her to ingest a few more precious millimeters. Loud gagging emanated from the back of her throat, and even the gurgles sounded British. Talk about a Cockney accent! I began the torturously ecstatic procedure of fucking her face. Julia's mangled chop-pers dragged across my most sensitive acre of flesh; the slight pain prevented me from instantly exploding in her mouth. Every time I pulled out from her tonsils, Julia drooled a long string of saliva. Soon her pointed chin was glazed and soaking. So much for those impeccable manners. I withdrew completely and slapped the sides of my manhood across her flush cheeks.

Julia begged, "How about moving to the bed, love?" As incentive, she quickly shed her clothes, revealing a meaty

butt and those frightening floppers in all their unclothed glory. I wish I could have taken a photograph of the gigantic, freckled hooters. Her nerps were pale, which almost gave the spouts the illusion of being invisible among all that teat. Nothing but milky sack danced before my astonished eyes! My hand fought to grab my cock and jerk off onto the hardwood floor, but I managed to fight the temptation. Besides, Julia was now on all fours, wagging her tail and offering me a ride.

I climbed onto the bed and smacked her teasing backside harshly. A red eruption marked the pallid rump. What a miracle to behold for a fellow who can normally only score black chicks. (I'm not sure why I attract the dark meat; someday, Hugh Grant and I should change places like the prince and the pauper of poon.) Backward clam pecked beneath Julia's warm, stinging rump. Finally, I was plugging the hole I saw on *The Avengers*...at least in my mind. I rammed my slick poker up her sopping-wet flue.

"Right-*ohhh*," screamed Julia, bucking to grind against my gourd. Every minor cataclysm within her cooze tickled my peter. I porked the angry gash with fast yet deliberate strokes, making sure to batter her G spot in a punishing manner. Julia rewarded me by gushing cream, making my plunging easier with each stroke. Our coupling was sloppy and good. Occasionally, I uncorked her cunt, and Julia's womb audibly gasped for air. Before she could catch her breath, I choked the throat between her thighs with my red-hot dipstick. Just to make things a little more exciting, I also wrapped my fingers tightly around Julia's neck. The rough treatment triggered her thrashing climax.

With quiet, tight moans, Julia came. Perhaps British chicks always come silently. Whatever the case, she fell down with her face in the pillow, unable to accept another jab of my joint.

"Sorry, love," she panted. "Would you like to whack on my bum?"

"Actually," I admitted sheepishly, "I was hoping you could fulfill a childhood fantasy." After a brief explanation—and a moment for Julia's head to stop spinning—my bare ass was straddling her lap. The greatest moment of my life had arrived.

Julia brought the palm of her hand down square upon my cheeks and cried, "Nawww-ty. Nawww-ty boy!" Instantaneously, I ejaculated a pint of malt upon her knee. My orgasmic spasms continued

We had actually pulled off a bungee fuck! Once the genital pendulum was set in motion, there was no stopping our loin-slapping momentum.

until my prick dry-heaved with delight.

I haven't seen Julia since that amazing evening. She thought my spanking fetish was kind of weird. Who cares? I know the formula for scoring a new nanny every night of the week. Yeah, baby!

BUNGEE HUMP

My wife can be really fucking irritating with her tendency to climb on every trendy bandwagon. Last year, it was genital piercing. She actually expected me to drive a two-inch spike through my schlong. What a dumb fucking bitch. I mean, I love her and all, don't get me wrong. Especially her curvaceous figure, ass-length, black hair and succulent titties. But this time, Candace may have gone too far.

We were on the couch in a 69 position when Candace announced, "That's what I'm looking for...extreme sex!" Now, keep in mind that I deliver some humping that definitely falls under the banner of extreme. Golden showers, fisting, enemas—if I read about it in *HUSTLER*, I try it out on Candace's supple form. When I removed my face from my wife's upside-down beaver and glanced at the television screen, I knew she was talking about something different. And dangerous.

My mistake was leaving ESPN on the box. The Winter X Games were simulcast from a mountaintop in Colorado. One spiky-haired moron after another took turns boogie boarding, bungee jumping and skydiving without a parachute. Personally, I hoped they would all end up flat as a pancake. Candace, however, was enthralled and aroused.

"Look at the way the bungee jumper bounces up and down," she marveled. Her head moved to follow his trajectory like a dumb animal watching a piece of meat. "Imagine if his cock was out, and he was landing on top of my spread-open slit." The thought did little for me, and the fact that Candace's mouth yapped instead of sucked was downright infuriating. Such a minor irritation was nothing compared to the indignity my wife had in mind. She ran to the garage for rope and a makeshift harness.

Don't ask me how, but in the course of an afternoon, Candace somehow rigged a budget bungee cord from our bedroom's ceiling fixture. I told her there was no way I was dangling my fat ass from the Mickey Mouse setup. But she promised to let me come on her face

afterward. Somehow, that incentive always works; otherwise, I never would have allowed her to do me with a strap-on that one time.

Eventually, I was suspended a mere inch above the enthralled, nude Candace. She diddled herself with a vibrator in hormonal expectation of my first plunge. I moved my hips and attempted to lance her electrified cooze.

She whispered, "Not yet. Uhhh, it's going to be so good." The harness was cutting off circulation to my groin and working like a giant cock ring. My boner quite literally pulsed. I looked down and was frightened to see the shaft had grown purple and wobbled up and down to the rhythm of my heartbeat. This had better be the fuck of a lifetime, or I would undoubtedly end up with a penile amputation.

After an eternity of waiting for Candace to stimulate her juices, she was ready. I wiggled, fumbled and eventually made a successful entry.

Beneath my suspended dong, Candace wailed, "Arrrghh! God, it's so hard, it hurts!"

Good, I thought, silently cursing her for this fucked-up scenario. I slowly figured out how to best poke her prone twat. I had to admit, the sensation was pretty

fantastic. She was more into the movement than she had been in months. The bed rocked, and Candace's grinding groin managed to launch me into the air.

I came back down and back into her hot, womanly depths. We had actually pulled off a bungee fuck! Once the genital pendulum was set in motion, there was no stopping our loin-slapping momentum. Candace's snizz slurped and sloshed as I prodded her, a human piñata who wielded his own stick.

"I'm coming," she cried. Wild gyrations engulfed Candace below the waist. "I'm coming so fucking hard!" Her legs grappled my midsection and pulled me ball-deep into scrunt. I heard a loud crack and assumed I had broken her abdomen. The truth was far worse: My stupid wife had pulled out the ceiling fixture. I, along with a cheap chandelier and a ton of plaster, came crashing to the bed.

It gets worse. My landing was accompanied by a blast of chum in her box. Sure, the orgasm was fantastic, but she's probably pregnant. And I didn't get to come on her face.

Bite Me

THE PLEASURE AND PAIN OF EROTIC TEETHING

BY JOHN EDGAR GONZALEZ • ILLUSTRATION BY TODD JAMES

Tony and Noelle stand inside the doorway of their Rockville, Maryland, townhouse, locked in a passionate kiss.

To commemorate their first wedding anniversary, Tony treated his 25-year-old wife to dinner at a local steak house, but the couple has abandoned the rare meat on their plates and raced home, overwhelmed by the need to consume each other.

"Come and take it," says Noelle, dropping her dress to the floor and standing naked with her arms outstretched in the living room. "I want you to eat me up."

Tony flicks his tongue down to Noelle's throat and nibbles on her tender neck flesh.

"Do that, baby," says Noelle. Tony's nibbling turns into gnawing. His teeth pinch and tug lightly on Noelle's throat, and goose bumps shoot down her back.

Tony slides his hand across his writhing partner's slick, wet snatch and slips two fingers into her gaping gash. Noelle chews her lover's downy earlobes first with her lips, then with her teeth.

Excitedly, Tony stretches his wife out on the rug. The phone rings. Noelle doesn't care. Tony mashes his wife's ample breasts together so that the nipples stand side by side. He chews her lovely nerps, carefully observing her reactions to gauge how hard to bite.

"I want your bone," sighs Noelle, grinding her hips.

Tony isn't ready. He works down Noelle's lute body and grazes on the tight flesh of her stomach. Noelle climbs onto all fours and wiggles her ass in the air, desperate to have her cunt crammed with cock.

Tony rubs Noelle's ass in wide circles and lightly but firmly slaps the round orbs until they blush. He bites down hard on Noelle's ass; she moans and wiggles.

"Fuck me, Tony, please, fuck me now," moans Noelle. Tony resists. He still has not munched on her thighs and her toes, but as Noelle

guides his throbbing cock into her hot, dripping-wet pussy, Tony figures he'll have to save those treats for another day.

Sex experts agree: For countless couples, biting takes sex to explosive heights and comes almost as naturally as kissing. According to the Kinsey Institute, one out of every four men and women engages in biting during foreplay.

"We have all heard of the expression, 'I love you so much that I could eat you up,'" says renowned sex therapist Dr. Susan Block. "When we seek to get beyond the union of sexual intercourse, a desire to consume takes over. We want to taste [our partner's] fluids, their skin, absorb their scent—everything that makes them alive and sexual."

Erotic biting has its roots in early human history: primitive blood rites, religious rituals, cannibalism and human sacrifices all involved forms of biting, providing varying

degrees of pleasure for the person being bitten.

"Those sexual-consumption rituals are natural. They occurred all over the world," says New York-based sex therapist Dr. Judy Kuriansky. "Biting allows you to regress to the most primitive parts of yourself."

"There is only so much you can do with kissing and sucking and licking, which is why I love biting," says Christopher M., a 41-year-old contractor who lives in Boston.

"I love the taste of my wife's body: her pussy, her asshole, her skin, her mouth—everything!" Christopher says. "Biting makes sex hot, wild and animalistic. My wife loves it when I bite around her butt and then tongue her asshole. She says biting makes her body even more sensitive."

"Biting during sex exists at the crossroads between pleasure and pain," says Dr. Block. "When done correctly, it offers the most remarkable

“What I like is when my boyfriend bites me when he’s eating my pussy. He nibbles on my inner thighs first and then pulls gently on my labia with his teeth—not too hard. That really gets me going.”

pleasure, and when done incorrectly, it results in horrible pain.”

“Biting can go from a light nibble to actually drawing blood,” says Hollywood-based dominatrix Mistress Jacqueline. “I generally incorporate biting into nipple torture, or I might take a few nibbles on a slave’s neck while he’s being suspended and flogged. As long as both people are having fun, it’s cool.”

Why is biting so pleasurable? Dr. Block explains that endorphins (pleasure-giving hormones) are released into the bloodstream when certain areas of the body are manipulated.

“The sides of the neck, the ears, the lower back, the back of the thighs, the buttocks, chest, nipples, knees, toes, heels and the balls of the feet—those are the target areas for biting,” notes Block. “They are also target areas for acupressure and acupuncture, where pressure is placed for therapeutic ends.”

Areas close to bones tend to be most sensitive. For this reason, the fleshy, fatty buttocks can be bitten especially hard.

When the person being bitten derives no pleasure from the biting and is, in fact, injured against his or her will, erotic biting has crossed the line into assault, as in the 1997 incident involving sportscaster Marv Albert and his lover of ten years, Vanessa Perhach. Perhach accused Albert of throwing her onto a bed in a Virginia hotel room and biting her on the back more than a dozen times. Another woman, Patricia Masten, accused Albert of biting her and forcing her to perform oral sex.

“Even a masochist does not want genuine, crippling pain,” says Dr. Block, who adds that what Marv Albert did was not sexual, but an act of violence—little different from Mike Tyson’s infamous biting attack on Evander Holyfield’s ears during a 1997 heavyweight-boxing match.

“Biting is done as a means of enhancing sex, not causing injury,” says Block. “The person who is being bitten wields control, because the bitee lets the biter know how much pressure they can take.”

Even when both partners know what they’re agreeing to, consensual biting can reach bizarre extremes.

Tanya K., a 22-year-old artist who lives in New York City, says that biting is what her sexuality is all about.

“Ever since I was a little girl, I loved to bite,” she says. “It wasn’t until I was in my teens that I had the courage to come out of the closet and let the world know that I am a vampire.”

The Goth subculture romanticizes death and engages in blood sports. Tanya, whose body bristles with piercings, dresses in tattered black-lace clothing and powders her face ghostly white.

“I only drink the blood of my boyfriend,” she says. “When we make love, we will bite the different areas of each other’s body—the lips, the lower neck—and taste each other’s blood.”

“When my teeth break his skin, and the coppery taste of his blood enters my mouth, it’s so hot, so scary,” she adds.

“A person who likes to bite someone until they bleed demonstrates dangerous levels of anger and aggression,” says Dr. Kuriansky. “What they suffer from is an overdose of Anne Rice novels and a lack of common sense.”

Dr. Block, Dr. Kuriansky and Mistress Jacqueline all caution against biting that draws blood.

“The couple involved should be perfectly healthy,” warns Dr. Block. “They shouldn’t even have a cold. Obviously this means no STDs of any kind. It is akin to having unprotected sex. Vampires should only bite monogamously. If bloodletting results from a bite, the area should be washed with soap or alcohol to prevent any infection.”

“I would advise against it altogether,” says Dr. Kuriansky. “Just like there is safe sex, there is safe biting. Once you break the skin, you have gone too far.”

Deadly viruses such as AIDS and hepatitis C are blood-borne; consuming another person’s blood, even a small amount, can be a direct route for disease transmission. What may seem like playful vampirism can become a ticket to a badly infected wound, prolonged illness or an early grave.

For average folks, biting involves no pain, no blood, just exciting tingles.

“What I really like is when my boyfriend bites me when he’s eating my pussy,” says Heather S., an account executive from Columbus, Ohio. “He nibbles on my inner thighs first and then pulls gently on my labia with his teeth—not too hard. That really gets me going. It’s like an ignition. Once we start biting, our sex gets real hot. It is the ultimate in intimacy.”

“The hood of the clitoris can be bitten with great care and with great pleasure,” notes Dr. Block. “The same can be said for biting the balls.”

“I believe in biting the hand that feeds you,” laughs Christopher M. “My wife is a great gourmet cook.”

“My therapist said I need to open up more—do you think this is open enough?”

Scarlett

Future Cock

"I can't wait to score dick in the 21st century," gushes cyberwhore Scarlett, reclining on her inflatable pillows. "My boyfriend, Ernie, is brilliant. He designed my cock-worship Web site. By the year 2000, Ernie will have invented gnarly aphrodisiacs that will make Viagra seem as corny as Spanish Fly. We're celebrating the

millennium by hosting a gang-bang for Ernie and all his science-geek friends." Scarlett strokes her clit. "I just hope they bring a few bi-curious girls from the computer lab." Scarlett tastes her twat-slick finger. "Ernie says one day he'll clone well-hung dudes, but I don't think progress will ever improve on the fine taste of pussy."

**PINT-SIZE SEX PREDATORS

REPORT BY ROCK BOLANDER • ILLUSTRATION BY SKOT OLSEN

Today's youths are being raped, molested and murdered with terrifying frequency — much of the time at the hands of other children. Our fearful society makes matters worse, jailing juvenile sex offenders alongside adults, creating a new breed of hardened sexual predator.

Kids Rape

In 1980, there was only one program in all of North America that offered treatment specifically for juvenile sex offenders. In 1998, there are more than 1,000.

Dallas, Texas, April 9: Left alone by her parents in a van outside her home, Sandy wanders down to a suburban creek side. There she is seized, undressed, beaten with shoes and a brick and gang-raped.

Finished with her, the rapists push Sandy's naked and bleeding body down a concrete embankment into the creek bed, where she is left for dead. An uncle notices that she is missing. He finds the naked and bleeding child and carries her home. Sandy is a three-year-old toddler. [Her real name has been withheld because of her age.]

Dallas police officers, determined to catch Sandy's attacker, are surprised by what they find. An 11-year-old boy, barely 4-5 and weighing less than 70 pounds, confesses to the crime and is convicted for assault.

Two other boys, seven- and eight-year-old brothers, admit to taking part in the attack, but cannot be prosecuted because of their ages.

Tom's River, New Jersey, September 27: Eddie Werner disappears while selling wrapping paper, nuts and candy door-to-door for a sixth-grade fund-raiser. The 11-year-old boy has hoped to win a pair of walkie-talkies.

Friends and neighbors plaster his mid-

dle-class neighborhood with missing posters. Two days later, tracking dogs find Werner's dead body in the woods he used as a shortcut home. There is evidence of strangulation and anal rape. A shoe print left by the murderer on the victim's back provides the case's only clue.

New Jersey police officers canvass shoe stores in Tom's River with a photograph showing a red mark left by a sneaker tread on the bare back of Eddie Werner's body, looking for leads.

Eventually, a guilty conscience compels Werner's murderer to confess to the crime, but in order to turn himself in to the authorities, he is forced to ask his parents for a ride to the police station. He is only 15 years old.

Philadelphia, Pennsylvania, April 10: Kenneth Ross and Tyree Brown are accused in court of raping a mentally retarded girl in a middle-school classroom. Brown held the struggling girl's legs, and Ross penetrated her while a substitute teacher dozed in front of the classroom. The girl was 13 years old.

This case is unusual in that the criminals' names have been released even though they are minors. Kenneth Ross was 13 years old on the day that he and Brown, 14, grabbed their retarded class-

mate's arms, dragged her behind a portable blackboard, threw her to the ground and raped her.

These incidents are real—kids are molesting, raping and murdering other kids. It is estimated that 20% to 30% of all rapes and 30% to 50% of incidents of child sexual abuse are committed by adolescents.

In 1980, there was only one program in all of North America that offered treatment specifically for juvenile sex offenders. In 1998, there are more than 1,000.

This statistic implies that an army of miniature rapists roams America's streets. Most experts agree that there are now so many treatment centers because society has become acutely aware of the problem posed by juvenile sex predators and is determined to do something about it.

"I think there has always been these kinds of behaviors going on, but I think we recognize them now and are taking them more seriously," says Dr. Fred Berlin, an associate professor of psychiatry at the Johns Hopkins University School of Medicine.

Juvenile sex crimes usually take place in or near the homes, backyards and school yards of both the victims and the perpetrators, just beyond the view of watchful parents and teachers.

Victims are often the schoolmates, neighbors or relatives of the child who commits the crime. Most victims of juvenile sex crimes are females under the age of 12, but same-sex victims are not uncommon.

"Young children, even infants, are being exposed directly to sexuality earlier than ten years ago, often by being molested and abused themselves," says Dr. Jim Wood, a clinical psychologist with experience treating juvenile sex offenders. "Kids are being seriously violated early in life by adults.

"It is not uncommon for two- or three-year-old children to already be molested," says Dr. Wood. "By the time they get up to eight or ten, they may even have developed some self-pleasure out of the molestation."

The New Jersey 15-year-old who is accused of murdering and raping Eddie Werner in a fit of rage was a victim himself of molestation. A 43-year-old chicken hawk befriended the lonely boy in an Internet chat room and lured him to his home. The older man began by fondling the little boy's genitals and eventually sodomized him on a regular basis for over a year. Finally, the relationship was discovered by the boy's parents.

Blushing tart Linda prepares for the last sensual escapade of her single life. "In three hours, I'll be married to a really nice man named Colin," laments the lacy bride-to-be. "Unfortunately, my nice Irish husband is hung like a leprechaun." Linda parts her betrothed bush. "Luckily, I have the chance to savor the pleasures of a monster cock before I say 'I do' to eternity with a needle dick. Why else would Colin's best man leave the bathroom door open if he didn't want me to admire his schlong?" Linda fondles her firm tits. "I was still wearing my lace nightie when I opened the bathroom door. I gave him so much wood, he couldn't finish pissing. I told him to come to my room while Colin was sleeping off the bachelor party. I can't wait to feel his huge prick sliding into my wet cunt." Linda fucks her glistening hole. "Her wedding day should be the happiest day in a woman's life."

Kids Rape

(continued from page 66)

An angry, fearful and concerned public simultaneously hungers for tabloid headlines of lurid atrocities and demands summary justice for appalling crimes.

Although the boy came from a loving, two-parent family in a middle-class neighborhood, his mother sensed something was wrong with her son almost from birth. The boy's violent tendencies surfaced soon after the pedophilic relationship was exposed.

The boy's parents encouraged the troubled child to hit a punching bag in the garage to work out spells of uncontrollable anger. Convinced that their son was on the verge of unleashing his violent rage onto another person, the couple begged a New Jersey court to place the child into a foster-care facility.

Despite the protests of the child's frightened parents, a New Jersey judge sent the boy home. Eddie Werner was raped and killed only days later.

While a certain percentage of juvenile sex offenders were themselves molested by adults, many others were not, and many victims of molestation do not go on to victimize others. This blurring of cause and effect confounds experts who struggle to shed light on the origins of these troubling behaviors.

Almost all juvenile sex offenders are boys; the only other consistency from case to case is an appetite for sexual violence. Juvenile sex offenders run the gamut of race and class. These youths

learn to hide deviant behaviors and, as a result, tend to be loners.

Clinical psychologists are scrambling to account for the violent sexual behaviors of these brutal kids. An angry, fearful and concerned public simultaneously hungers for tabloid headlines of lurid atrocities and demands summary justice for appalling crimes.

How does society deal with a child who displays a sociopathological lack of conscience and isn't afraid of punishment? In Dallas, the answer was to focus national media attention on the crime and to try the 11-year-old killer as an adult.

After admitting that he brutally raped three-year-old Sandy, the boy faced 40 years in prison.

"I have not seen him exhibit any sign of remorse," says Juliana Moore, the probation officer on the case.

"No matter how big a monster you try to make him out to be, he is still a little boy," counters Garry Cantrell, the child's defense attorney.

Eventually, the child was sentenced to ten years in a juvenile facility.

"The demagogues in the legislature want to try 10- and 11-year-olds as adults," judge Hal Gaither told the jury after reading its verdict. "You have sent a message that the adult system is not

where these young people belong."

Many prosecutors and citizens concerned about alarming preteen crime rates disagree with Gaither and seek the harshest possible sentences for juvenile sex offenders.

A few jurisdictions, including Washington, D.C., insist that a juvenile charged with rape shall automatically be tried in adult court.

"There are cases where we will look for an appropriate program for a kid," says Susan Powers, assistant head deputy of the Sex Crimes division of the Los Angeles District Attorney's office. "There are also cases where we say that this kid is going to be prosecuted as an adult and we want prison time for them."

"Sometimes cases are pursued [in adult court] because of the severity of the crime or if it is a repeat offense," says Powers.

Powers concedes that "there's a good chance that" a youth who enters the juvenile system as a psychologically disturbed child is likely to leave it, by the age of 21, a hardened adult rapist or child molester.

Nonetheless, prosecutors persist in seeking adult jail time for children.

"It's a way to fast-forward them right up to the big time," says Dr. Wood. "A lot of them are sent to juvenile hall angry, masturbating five times a day, having lots of homosexual contact with other kids and fusing their sex and aggression drives a little bit more so that they'll be angry sexual predators when they get out of jail. Beware when these kids get into their 20s."

The citizens of California have approved laws that can keep a juvenile sexual predator in jail indefinitely.

The Sexually Violent Predator Law calls for convicted sex criminals to be examined by Department of Mental Health psychiatrists before being paroled. If the state's psychiatrists determine that there remains potential for sexual predation, a prisoner can be referred to a mental hospital for two years, renewable every two years for the rest of his life.

Residential treatment programs are the last hope for young sex offenders who are fortunate enough not to have been sent to juvenile-detention centers or adult prisons. Many of the rehabilitation efforts are hopelessly inadequate to the severity of the problem. Far from helping to heal these troubled youths, some residential programs make matters worse.

When Arizona's Pima County Juvenile Detention Center had become severely overcrowded, and the only locked adult facility that dealt with sex criminals had

"I feel for ya, kid—my father fucked me over too!"

Kids Rape

At the point of arousal, an aversive video is shown, depicting such horrors as the sexual offender being shocked with penile implants, castrated by a surgeon and shot by his victim's father.

run out of beds, the state of Arizona began sentencing youths to the Pines, a state-of-the-art, private residential treatment center designed to deal solely with juvenile sex offenders.

Hardened rapists and molesters as old as 17 mingled with patients as young as ten at the Tucson facility. Patients ranged from the well-liked, honor-roll student to the slow kid with a learning disability to the sweet and innocent-seeming boy next door.

One 17-year-old inmate who was thrust in with these relative innocents had molested 65 children since he began at the age of nine and claimed that his idol was serial killer Jeffrey Dahmer.

The Pines was intended to provide a neutral environment in which the juveniles could begin to heal, but, in fact, a sexually charged atmosphere predominated. Inmates, aching to give vent to their deviant urges, plastered the walls of their rooms with pictures of naked children cut from *National Geographic* magazines.

Sexual encounters between patients were routinely uncovered, often with one of the participants claiming to have been sexually assaulted.

Inmates loudly denounced staff members and claimed to have been abused sexually. Four teens reported that a 21-

year-old staffer had fondled them and performed oral sex on them. Most of these stories were later recanted.

Eventually, the Pines erupted into a full-scale riot, with inmates punching and kicking holes into walls big enough to walk through, flipping their bunks over and threatening staff members with death and rape.

Mental-health technician Margaret Meyer recalls how one rioter snarled, "I'll take you down bitch, and I'll hurt you."

The Pines is one example of a dramatic failure in rehabilitating juvenile rapists. Similar centers across the country are currently using bizarre and unproven methods to combat the urge to sexual violence.

Many treatments for juvenile sex offenders involve exposure to sadistic, sexually deviant stimuli, such as explicit photos and stories. One questionnaire asks youths to rate their arousal to fantasy scenarios of forced sex with five- and six-year-old girls and the anal rape of a seven-year-old boy.

A *plethysmograph*, an electronic gadget that measures the erectile response of the penis, is used on boys as young as ten years old. When aroused by illicit fantasy scenarios, the children are given negative stimuli in an attempt to break them out of

deviant arousal patterns.

"It's just not clear that sexual orientation or sexual makeup can be unlearned in that fashion," says Dr. Berlin of Johns Hopkins.

These conditioning therapies are highly controversial. In spite of mounting ethical concerns, the arousal-punishment process continues to be implemented by desperate parents and officials lacking proven options.

Ammonia therapy is a popular alternative treatment. Subjects are forced to inhale ampules of ammonia while listening to tape recordings of their deviant sexual fantasies being read out loud, sometimes for hours at a time.

Using computer-aided virtual reality, vicarious sensitization, or VS, requires a child to wear 3D goggles and watch an enactment of a vicious sex crime to make the youth feel as if he is actually taking part in the actions being performed, such as raping or fondling a child.

At the point of arousal, an aversive video vignette is shown, depicting such horrors as the sexual offender being shocked with penile implants, castrated by a surgeon and shot by his victim's father. Other videos show a victim fantasizing about cutting off the sexual offender's penis and throwing the body into a river. A preacher warns of divine punishment through sexual disease.

"The danger is that such methods may put a masochistic twist on the pain and pleasure, and the kid will still act out, but now they act, and they like to be punished," says Dr. Wood. "It may bring about a worse kind of disorder, drive them further underground. Their sex drive may be something they are just able to hold back, then they go on a major sexual binge."

Approximately half of adult sex offenders display sexually deviant behavior in adolescence. For this reason, effective treatment of juvenile offenders could go a long way toward reducing the impact of sexual assault in our society.

Juveniles in custody have a Constitutionally protected "right to treatment." This right, in many instances, comes directly into conflict with the Constitutional protection against "cruel and unusual" punishment.

When A. M. was taken into custody for molesting younger children, he was a mildly retarded 16-year-old who would place plastic bags over his head while masturbating. The troubled youth also had a penchant for torturing and killing small animals, including a neighbor's cat.

Miss Smith gave her third graders a vocabulary lesson.

"Who can use the word *definitely* in a sentence?"

A little girl in the front row raised her hand.

"The sky is definitely blue."

"I'm sorry, Amy," Miss Smith said. "But the sky is sometimes gray or orange."

"I know," called Mark. "Trees are definitely green."

"Nice try, Mark, but in the autumn, trees change to yellow, red and even brown."

Little Johnny leaped from his chair.

"Excuse me, Miss Smith, but does a fart have lumps?"

Horrified, Miss Smith replied, "Of course not, Johnny!"

"Okay. Then I have *definitely* shit my pants."

Question: Why do women have two sets of lips?

Answer: So they can piss and moan at the same time.

Bill and his date, Yvonne, were making out passionately in the movies when Bill's toupee slid off.

As he groped frantically in the dark for the hairpiece, Bill slipped his hands between Yvonne's legs and fondled her pussy.

"Oh, yes, Bill, that's it!" the girl cried.

"It can't be," Bill whispered. "I part mine on the side."

Jim's father returned from the doctor with an ashen look on his face.

"It's cancer, Jim. The doctor has given me six months to live. But instead of feeling sorry for myself, I've decided to go out with my closest friends and celebrate the fact that I've led such a full life."

At the local bar, the ill man ordered drinks for all his drinking buddies. Later, he announced that he was dying of AIDS.

"Why did you tell them you had AIDS, Dad?" Jim asked on the way home.

"Because I don't want them fucking your mother when I'm gone."

Kathy called her mother with some exciting news.

"I've met a wonderful Greek man, Mother. I'm in love with him, and we are going to be married."

"That's fine with me, Kathy," her mother replied. "But whatever you do, don't let him turn you over when you're in bed."

After she was married about six months, Kathy and her husband were lying in bed. Her husband looked into her eyes and said tenderly, "Why don't you turn over tonight?"

"No way," Kathy said. "My mother always told me never to turn over."

"What's the matter?" her bewildered husband asked. "Don't you want to have children?"

The HUSTLER dictionary defines *senoreater* as: a Mexican prostitute.

A country girl went to visit her cousin in the city. When the young bumpkin stepped off the train in her summer dress, her cousin noticed the girl's knees were skinned raw.

"What happened to your knees?" she asked.

"Oh, that?" the comely hillbilly said. "That's from doin' it doggy-style."

"Don't you know any other positions?"

"Sure," the girl blushed, "but my doggy don't."

Question: Did you hear Michael Jackson came down with food poisoning?

Answer: He ate a three-year-old wiener.

Mary went to the gynecologist with an embarrassing problem.

"My husband says my vagina has a terrible odor, but when I bend over and take a whiff of my crotch, I swear I don't smell anything."

The doctor told Mary to put her feet in the stirrups and performed a thorough examination.

"Well, Mary," he said finally, "you definitely need an operation."

"On my vagina?" Mary ventured timidly.

"No, on your nose!"

Asia Carrera hunches over a keyboard in front of a bank of computers, printers and scanners. Dressed in a T-shirt and sweat-pants, wearing no makeup and inhabiting a setting that resembles NASA mission control, Asia hardly looks the part of a 25-year-old porn slut hard at work in the billion-dollar smut trade.

This image of a glamour girl on laundry day is part of the scenery at www.asiacarrera.com, a popular adult Internet site—scenery that includes hard-core videos alongside snapshots from Asia's everyday life.

On the next computer image that scrolls down the screen, Asia smiles sexily. Her raven hair reaches far down her back. Carrera's plump breasts sit high on her chest, and she peels a red G-string down her fantastic, porn-star ass.

Wifey's cum-splattered visage has graced the Internet for only a short while, but she has established herself as the queen of glop gluttons. Subscribers to Wifey's World can download hundreds of photos and video clips of her taking facials and drinking cum from wine glasses, mugs, condoms and straight from the source: partner Hubby's

massive meat sword, capable of impossibly voluminous jizz loads.

At one time, Wifey's tapes were stopped at the border by Canadian customs officials, due to "excessive ejaculation."

Asia Carrera's Web site is visited some 20,000 times per day, not including repeat visitors, which is modest by some Internet-sex standards. Nonetheless, Carrera earns "five figures" on both her membership and merchandise sites each month. Visitors can ogle nude pics, read her thoughts about breaking up with her boyfriend, buy movies, chat with the star and even buy Asia's panties, complete with a Polaroid of her wearing them. What visitors really want to see is Asia slurping schlongs, and for \$10 a month, they can have that too.

"Internet sex is instantly available at your fingertips, 24 hours a day, seven days a week," says the reclusive Carrera in an online interview. "You don't have to leave the house, you won't get spotted buying a smut mag or entering a porno shop, and when you're done, you just click off the screen and walk away."

Luvins, with her petite, natural breasts,

is a breath of fresh air in an industry dominated by surgically enhanced Barbie clones. Her homemade videos are available for between \$20 to \$40 and can be sampled and purchased on the site.

In one film, set in a Florida hotel room and quaintly titled Video #9, Luvins ties brick shithouse Tantra spread-eagle to a bed. Notes that accompany the clip narrate:

"A new toy! A vibrating dildo with a string of balls. Slammin' it deep...thumb workin' the clit...a very intense double cum! Time for a break? No way! Fuck her with the gel dildo 'n' the pocket rocket on her clit. Her chest heaves as she comes again!"

"I was tired of sending Fed Ex packages when I had spoken with someone on the phone that needed photos," says Jacklyn Lick, a veteran of 200 adult films. "I could just direct them to the Web site."

Lick was introduced to computers in 1991 when she traded a bachelor's party for her first PC.

"I ran a service in Oregon called the Lick Sisters," she recalls. "We deep-throated bananas, had black-light body paints. I talked to a guy who wanted a show; he mentioned that he built computers, and we traded. He really hooked me up."

Since then, www.jacklynlick.com has become an increasingly large part of Lick's life: She provides live video feeds from her bedroom for subscribers and hopes to have cameras rolling in her bedroom 24 hours a day.

To accompany a photo of Renee wearing a latex maid's outfit, a dog collar and nipple clamps, she writes:

"I was working with Jimmy, and I kept telling him I was fine, until he put me in a tight corset, he pulled my hands through my legs. My body felt so heavy, I felt paralyzed. And all of a sudden, I couldn't move. I started focusing on my breathing. I really thought I was gonna pass out."

Ashley updates the site with around 15 new pics every week and plans to add film clips in the near future.

Web sites have become as synonymous with porn stars as silicone breasts, but as recently as 1994, Brandy Alexandre was

one of few porn performers with an online presence. The notion that an adult-film star was actually on the other end of a computerized conversation was so novel that Alexandre had trouble establishing her identity.

"I went through a lot of grilling as being some fat, bald, cigar-smoking guy getting his jollies," Alexandre recalls. "I was the only truly accessible porn star, and fans came out of the woodwork."

Porn queens gravitate toward the Internet for a variety of reasons. Many cherish the simultaneous intimacy and distance they can have with fans. Asia Carrera sought refuge from the AIDS scare that is currently vexing the business. Mimi Miyagi wanted to take time off work to have a child. One reason unites almost all porn sluts: money.

When the Internet exploded in popularity in the mid-1990s, major corporations saw the potential to make a mint marketing to the well-educated, high-income demographic that utilizes computers. Pornography is one of the few industries that has managed to find a way to reap handsome profits off the new medium. As a result, smut is steadily taking control of the information superhighway.

Membership also includes access to video clips of classic Nici Sterling moments in orgies, double penetrations and all-she-can-eat meatfests.

Although exact figures are hard to come by, cyberporn is wildly profitable by any measure. A recent survey by *Interactive Week* magazine estimates that 10,000 adult sites rake in as much as \$1 billion a year.

"It's so easy to make money in this industry that people just throw stuff against a wall and see what sticks," says Benet Garcia, a producer for GMH, a company that develops adult Internet sites. "You want to see anal or facial pop-shots, then you get the video from me. I'm not going to let you see me take it in the face for a \$3 rental, and I don't even get the \$3."

includes "500 gorgeous girls, and not one ugly one!"

Minka makes her own videos and sells them online. Why? "You want to see anal or facial pop-shots, then you get the video from me. I'm not going to let you see me take it in the face for a \$3 rental, and I don't even get the \$3." She also offers custom videos and live shows.

Many fans know their favorite porn queens only as semen-slurping sex slaves. The advent of the Internet allows fans to know them as semen-slurping sex slaves with personality. Web pages, replete with hard-core shots, are often accompanied by quaint personal details, allowing consumers a glimpse of porn stars' underlying humanity.

"My Web page gives my fans a feeling of intimacy with me. They are able to know me better and on a less superficial level," says newcomer Eden Rae.

"I can write, 'I didn't get my UPS shipment,' and then I can put, 'but I still love sucking cock,'" says porn legend Vanessa Del Rio. "It adds that personal touch."

"What's wrong with personalizing a cum-guzzling slut?" asks Jacklyn Lick. "We are no different than anyone else; we just have sex better. We still go grocery shopping. I work as a child's-rights advo-

cate on occasion. Doesn't mean I don't enjoy giving a mean blowjob."

BEST BIG-BOOB SITE:

www.chessiemoore.com

\$29/MONTH

Other porn queens have bigger jugs, and no, Moore's gazongas are not real, but on the other hand, the self-proclaimed Dutchess of Down and Dirty perfected the art of phone sex during a live feed by inserting a receiver into her pussy. Moore offers film clips, regular live feeds and hundreds of hard-core sex photos. Of course, there's plenty of big-boob action for fans of the blond star with the 48DD chest.

Brandy Alexandre sees the trend toward personalizing sites as an insincere ploy to separate loyal fans from their money on the part of actresses prepared to do anything to stand out in the flood of Web sites.

"The ultravixen sexpot image is so overplayed; so they want to go to the other directions with the I'm-a-person-too approach," says Alexandre.

"Porn stars claiming to be the girl next door alongside pictures of a double penetration are really making fools of themselves," she adds. "Any site that says, in effect, 'I love sex, I love my fans, I get

so hot,' and has anything for sale is looking upon their fans and site visitors as cash cows."

MOST EXTENSIVE SITE

www.jordanlee.com

\$14.95/MONTH

Lee's personal home page is a generous collection of soft-core images of the storied slattern, but for a monthly fee, visitors can access Lee's Porn Stars Uncensored, one of the few sites where a month's membership isn't enough time to view the thousands of hard-core photo layouts featuring hundreds of actresses.

In Lee's video-clip archive alone, more than 65 big-name actresses compete to provide jackoff fodder. Hard-core photos and film clips are organized by categories, including facials, cum-shots, anal, transsexuals, big tits, gang-bangs, interracial sex, sex toys and double penetrations.

Some porn queens have little remorse about making substantial incomes off of their Internet efforts. Wearing five pairs of underwear every day just to keep up with demand, they are making money for themselves, with no middleman taking a cut.

"The Internet has allowed all the women in this industry, and there's a lot of them out there, the chance to market and make money for themselves," says Tasha Addams.

"Every move you make, you can be making money off of," says Addams. "If people want to watch me sit on my couch while I watch TV and pay me \$5.99 a minute for it, why not? I may wire my whole house."

BEST BEHIND-THE-SCENES SITE

www.kamikaze.org

FREE

Even though Brandy Alexandre has been out of the business for six years, and her Web page has little in the way of hard-core sex, this site gets a consistently high stream of visitors. The only way to account for this bizarre anomaly is that Alexandre has something to say that people want to hear.

Alexandre's notes and journal entries provide a glimpse of what it's like to be on the receiving end of hundreds of cum-shots over the course of a career in blue movies. A section that includes the complete scripts to X-rated films is very popular among fans seeking proof that such a thing as a porn script exists.

In the notes that accompany the script to her 1989 film, *Blowing in Style*, she writes:

"I really don't remember a lot about

MORE ANIMALS OF NORTH AMERICA THE WEASEL

Michele is a 24-year-old artist from Shreveport, Louisiana. Michele digs camping and dancing. The well-adjusted strumpet considers herself "quite intelligent" and would like to make love to glamour waif Kate Moss. Hot lesho action is always in vogue.

Photo by Boyfriend

Detroit, Michigan, is home to a wide-eyed dancer named Malena. The Rubenesque 19-year-old has undoubtedly witnessed many incredible things in her young life, but her favorite sight is "the expression on a woman's face when I'm sucking her clit." There's nothing more scenic than a womb with a view.

Photo by Friend

Shelly is a 26-year-old nurse's assistant. Watching basketball, four-wheeling and having sex all sound like a barrel of fun to this Winter Harbor, Maine, local. "I'm open to any new experiences," writes Shelly. Pick up a copy of HUSTLER'S TABOO for inspiration.

Photo by Husband

WVVV

Sumptuous Marlana hails from Lake Charles, Louisiana. The 32-year-old entertainer likes playing with dogs and dreams of having sex in an open field. A rigorous game of fetch in a grassy meadow will bring out the animal in anyone.

Photo by Friend

Heather from Elkins, West Virginia, demonstrates that self-breast exams don't have to be a chore. The 21-year-old sales associate enjoys "heavy metal and being naked as much as possible." If this didn't earn her the title of America's sweetheart, Heather claims "sucking dick is one of my favorite activities." God bless you, Heather, and God bless West Virginia.

Photo by Boyfriend

Maureen of Chicago, Illinois, is a fashion designer and dabbler in the sapphic arts. The 25-year-old thrillseeker is dying to share her female lover with her boyfriend. "Maybe she and I could suck him off together and share his juice," the salacious seamstress writes. Good, old-fashioned teamwork makes this country great.

Photo by Boyfriend

Meet Sarah, a visionary nudist from Detroit, Michigan. The savvy dancer combines the playful vigor of youth with the ballsy grit of adulthood. For hobbies, Sarah writes, "I like to fuck," and reveals that her sexual fantasies involve licorice whips. Even hardened strippers must honor the child within.

Photo by Friend

Dannielle of Orlando, Florida, is a 23-year-old ophthalmic assistant who enjoys drag racing. In her fondest sexual fantasy, she fucks the owner of a winning race car while the loser of the race watches. Dannielle is just one of the many delightful pit stops on the road to sexual glory.

Photo by Friend

Modest Amanda of Toronto, Canada, is on a quest to find "someone as good in bed as me." In her spare time, the 25-year-old exotic dancer likes to work out. Better work out some of your ego issues while you're at it, Amanda.

Photo by Friend

Ally is a bookkeeper from Indianapolis, Indiana. The rugged, 23-year-old lady wants to show up at her boyfriend's construction company totally naked. Sexual harassment adds extra zest to a dull workday.

Photo by Boyfriend

Karl of Portland, Oregon, would like to be an environmental scientist. The 23-year-old wanton hopes to have sex with a "cute, shorthaired, brunet girl." Karl credits "intelligence" as the reason she's most likely to reach her goals. Remember, Karl, carnal knowledge is no substitute for a formal education.

Photo by Boyfriend

Veronica of Philadelphia, Pennsylvania, takes the liberty of exposing her nearly bald pussy to millions of HUSTLER readers. Dedicated to maintaining a vibrant marriage, the 32-year-old dancer wants to be with another woman while her husband watches.

Photo by Husband

Heather Latricia is a 20-year-old "self-pierced pianist and exhibitionist." The Tavernier, Florida, native loves to paint, write and come on her soul mate's face. Nude surfing is next on this artsy chippie's agenda. Hang loose, and ride the swells, Heather Latricia.

Photo by Boyfriend

Karen, a salesperson from Chicago, Illinois, drives a hard bargain when it comes to love. The 26-year-old hottie, who raises exotic animals in her spare time, believes her sexual fantasies should be known "only by my lover." If you ever have the urge to confess, Karen, our trained staff of erotic operators are waiting to take your call.

Photo by Friend

Flaxen-haired Kitty is a secretary from Sault Sainte Marie, Michigan. Snowmobiling, fishing and child rearing are all in a day's work for the 26-year-old lady. Making love on an ocean shore is Kitty's most beloved sexual fantasy. In the meantime, doggy-style passion in bed sounds dandy.

Luscious Kelly @ Dell opens her mind and legs for a virtual reality toy. She finds a stud burying his face in her pretty muff. Kelly and Tina "visualize" a fingering fantasy of 5 females with a beefy buff hook. Sultry Sierra and Kelly share licks on a man's love muscle before they bend over for it—MORE with Tiffany Mynx and Deborah Wolf! 99 X-rated minutes.

THE VIRTUAL VIRGIN

This super-stretchy jelly masturbator can envelope your bulging penis like a fleshy flower. Lavish your big boy in water-soluble lube and feel the wonderful tightness as you press your erection between the fleshy folds. Add the removable vibrating egg to the opposite end and savor multi-speed vibrations to a mind-bending, orgasmic release! Egg is powered by 2 AA batteries (sold separately).

WANT A BIGGER DICK?

ALL PHOTOS ARE UNRETOUCHED AND ARE OF THE SAME PENIS WITHIN A 20 MINUTE TRIAL PERIOD.

2/3 of the penis is made up of growth tissue called Corpus Carnosum. As you become aroused, the growth tissue in your penis fill with blood and harden until they are filled to capacity. What this growth system does is maximize your capacity! Unlike any other pump, the new European Penis Growth System helps your tissues to permanently expand, increasing penis size by as much as 6 1/2 rock hard inches within 5 short weeks. **THERE IS NO LIMIT TO YOUR MAXIMUM SIZE POTENTIAL.** By pumping the tissues, your penis will grow and expand, getting stiffer, longer and fatter erections. **RESEARCH HAS PROVEN MAXIMUM PENIS SIZE UP TO 15 1/2 in.** So don't let yourself think for a moment that gaining up to 6 additional inches to your penis size is unquestionable or unsafe. Women want larger penises.

With the New European Penis Growth System, 9 out of every 10 men show permanent gains in penis size on average of up to 5 3/4 in. Productive for ages 18-74, penis enlargement systems have been considered "Simple, Safe and Effective" by the U.S. News And World Report (8/24/92). No prescription is needed, and is a highly recommended treatment for men with small penis size, impotence and premature ejaculation dysfunctions over any risky and unneeded cosmetic surgery. This growth system utilizes a 100% pure vacuum tight seal and is one of the few European systems equipped with a vibrating chamber that will slide up and down your penis increasing the pleasure factor as your penis grows.

Also known to increase amount of ejaculate!

#1 WAY TO KEEP A HARD ON

After using the European Penis Growth System, the **QUICK RELEASE ERECTION RING** will keep you **LONG, HARD, STIFF, FAT & BENT FOR AS LONG AS YOU WANT!** Fully adjustable to the size of any man's penis, this ring can be used in different ways to enhance your orgasm while maintaining a **ROCK HARD ERECTION! GUARANTEED!**

SHIVA'S 6075

THE SECRET OF PORN STARS

Her young thighs will open up wide to accept your fat erection. She will sink her tongue up and down the shaft of her new toy. (This is a comparison of those who love Caplans into a hot young chick and your body to hers.)

DISSOLVES IN ANY DRINK

BETTER THAN SPANISH FLY ACTIVATOR

TURN HER YOUNG THIGHS INTO A SPECTACULAR, WIDE, JUICY, BUT TIGHTLY TIGHTENED UP BEGONIE! Passion will take over her every move and she will be unable to control herself. It'll be bright about 5 minutes after you use the capsule and best of all, the effect lasts for about 10-15 minutes! (The three capsules and you'll feel the effect of irascible **ACTIVATOR** activate her! The capsules will not last longer than 15-20 minutes! Don't be permanent before using **ACTIVATOR**. Simple: activate the stop action or hold with instructions. Pack of 10 **ACTIVATOR** activate-best capsules.

- NO PRESCRIPTION NEEDED - ANYTHING STRONGER WOULD BE ILLEGAL!!**

- **TRIBULUS TERRESTRIS** - Dramatically increases testosterone levels (the most potent natural anabolic = androgenic hormone). Increased testosterone means easier muscle growth along with increased fat burning
- **TRIBULUS TERRESTRIS** - Imported directly from Bulgaria. This anabolic is absolutely the best muscle producing, body fat reducing product available
- **TRIBULUS TERRESTRIS** - Maximum anabolic muscle enhancement, great for athletes who want to gain size, strength, definition, and enhanced fat loss
- **TRIBULUS TERRESTRIS** - Tested on healthy men show testosterone levels significantly increasing 30% or more in just 5 days (Milanov, Maleeva and Taskov, documentation, 1981.)

Sex Toys

How to order them without embarrassment.
How to use them without disappointment!

Today you know that fully exploring your sensuality is as healthy as it is fun. Look over the new Xandria Gold Collection catalogue and discover a wide array of sexual products for giving and receiving even greater pleasure.

Trust our experience. Men have delighted in the Xandria Collection for over 20 years. We select only the finest products from around the world.

Rely on our 100%, three-way Guarantee.

If you've been reluctant to purchase sexual products through the mail, consider this:

- 1. We guarantee your privacy.** Everything we ship is plainly and securely wrapped with no clue to its contents. All transactions are strictly confidential and we never sell, rent or trade customers' names.
- 2. We guarantee your satisfaction.** If a product is unsatisfactory, simply return it for replacement or refund within 60 days.
- 3. We guarantee that the product you choose will keep giving you pleasure.** Should it not function, just return it to us for a replacement.

Order today and see. Send for your catalogue now. We'll apply its \$4.00 price to your first order. You have nothing to lose and an entirely new world of enjoyment to gain.

Cybersluts

(continued from page 110)

that day except that the cum-shot in my scene with Jeremiah Logan went right up my nose! Rather unpleasant, but a good visual effect."

Much of the technology involved in the rapid development of cybercommerce is being driven by sleaze.

Porn sites were among the first to accept credit cards for online payments and were responsible for bringing high-quality motion pictures to computer screens. Jordan Lee has adopted technology that allows her to accept personal checks online. Even the IRS cannot boast of such a sophisticated cash-collecting system.

BEST MERCHANDISE

www.annamalle.com

FREE

An extensive collection of personal items, ranging from the reasonable to the pricey, are for sale on this site. Visitors can order autographed photos and videos as well as sex toys. For those with deeper pockets, shoes, bras, panties and nylons can be purchased, all accompanied by photographic evidence that Malle actually wore them. Depending upon availability, \$110 buys a dress worn in one of Malle's films. Any body fluids deposited

on these garments are gratis.

While the above items are standard Internet porn-star fare, Malle sets herself apart from the cybercrowd with clippings of her pubic hair that sell for \$30 apiece, \$20 for members. For an extra \$5, Malle will throw in a picture of herself shaving the selfsame hairs.

"I want to keep my merchandising ready to market for future growth," she explains, sounding every bit the shrewd entrepreneur.

Online sex commerce is by no means limited to high-profile sex stars.

Andy Alvarez runs www.yourpaysite.com, a business that helps clients set up adult-entertainment businesses over the Internet.

"Half of the people I work with are women," says Alvarez, "and many of them are single moms working out of their homes. In the '50s, they were Avon ladies; now it's different."

"It's a gold rush," says Vanessa Del Rio, whose own Web page, www.vanessadelrio.com, is a cyber-Net jackoff booth par excellence, with countless film and photo clips. "People are setting up mom-and-pop shops, only instead of Tupperware, it's sex they're selling. This is how they're putting their kids through college."

Kids Rape

(continued from page 76)

According to doctors, A. M. smothered his young victims with plastic bags while he fondled them sexually.

A. M.'s obsession with plastic bags and sadistic, pedophilic sex practices was so strong that staff members were reluctant to keep him in a facility that housed younger patients who could potentially become his victims.

Aversion treatment with the plethysmograph was ruled out because of the risk of coaching the subject in new sexually deviant behavior, and he was uncooperative with other treatments. Doctors decided to try hormone therapy to change the boy's behaviors.

After five years, A. M. has developed small breasts, and his erections, ejaculate, sexual fantasies, sexual drive and overall sexual arousal have all decreased dramatically. He is no longer a sexual predator. Is A. M. a success story?

Faced with an apparently intractable problem that resists effective treatment, society is increasingly turning to prosecutorial zeal as a way to deal with juvenile sexual predation.

"There is a legitimate need to be concerned about community safety," says Dr. Berlin, "but there's so much emotion when it comes to this that we're not dealing with it thoughtfully and in the context of what a just and compassionate society ought to be doing."

In a well-publicized case in Chicago, two boys, seven and eight years old, confessed to the rape and murder of an 11-year-old girl, Ryan Harris. After tests were run on the sperm found all over Harris's body, it was determined that the boys could not have committed the savage attack. All charges against them were dropped.

Police methods have become so sophisticated as to extract confessions from innocent people (the two boys confessed to raping and murdering Ryan Harris after detectives offered them Big Macs), and laws have been adopted to incarcerate juveniles indefinitely, but society has stepped no closer to actually stemming the tide of sexual predation.

"I think that an 11-year-old is a child, and that's reality," says Dr. Berlin. "We can't get away from it. We've demonized these people, dehumanized them, and we seem to think in our society that almost any problem can be passed by either legislating it away or punishing it away."

"Fundamentally decent people can have problems managing their sexual needs in a healthy and proper way. Some of them need help and assistance, and we've simply made them the enemy."

"People wonder why I've been crowned Queen of the Tri-State Strawberry Festival three years in a row without ever appearing in the talent competition," brags hillbilly superstar Darla. "Every year, the same hick bitches parade around the stage wearing grain sacks and twirling batons. I invite the judges to my house, dress in fine lingerie and demonstrate my many oral talents." The ambitious slut slides a straw-

berry into her mouth. "I do things to those guys that would straighten the pubes of those corn-fed, beauty-queen twats. I deep-throat the biggest hose without gagging, suck their tight, fuzzy nut sacs and lick their sweaty assholes." Darla tongues her juice-stained lips. "I always make sure each dude comes in my mouth. I don't want to miss a drop of their hot man milk. A girl can't live on strawberries alone."

PENIS ENLARGEMENT Systems

YOU TOO CAN GO FROM MINISCULE TO MAMMOTH & HAVE ERECT MEASUREMENTS UP TO 12 HUGE INCHES!

It's Effortless... Fast... Foolproof and Affordable!

U.S.A. NO POUND STAKE HERE... JUST SOME OF OUR SATISFIED CUSTOMERS!

JAPAN ALL PHOTOS ARE UNRETOUCHED

THE SUPRA-12 PENIS ENLARGEMENT and ERECTION BUILDING SYSTEM IS DISTRIBUTED and SOLD IN 68 COUNTRIES SINCE 1965 and IS USED BY OVER 15 MILLION SATISFIED MEN!

The Men Behind BRISTOL MEDICAL

Lee Conner, B.S. M.A. in electrical engineering. The founder and CEO of Bristol Medical. Along with Dr. Ruffin, he has developed the SUPRA-12... the world's leading vacuum pump.

Dr. Andrew Ruffin, Ph.D. A published sex therapist and sexologist for over 30 years, has produced 6 sex education videos. Developed many products for sexual dysfunction.

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis increases in diameter and thickness. By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in a **DRAMATICALLY LONGER, THICKER ERECTION.** Users of SUPRA-12 say they're "truly astounded" when they see their penises reach startling new proportions inside the chamber of the SUPRA-12. And you will be too!

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... *keeping it* is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the **biggest size possible in the shortest amount of time.** Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards - no more - no less. And with the SENTRY Prolong Ring, you can stay as hard as you want, for as long as you want. **IMPORTANT!** All professional medical vacuum pumps (including \$500 models) include prolong or tension rings. Our Sentry fits any size penis, and there is no hassle in removal or pulling of the pubic hair as in others. The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining your dynamic "super erection" indefinitely, but never interfering with your pleasure - EVER! You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the Sentry **GIVES YOU COMPLETE ERECTION CONTROL!**

ACKNOWLEDGED SAFE AND EFFECTIVE... AN INCREDIBLE VALUE... 3 MODELS TO CHOOSE FROM!

According to U.S. News and World Report, our Vacuum Pumps and Erection Rings are "simple, safe and effective" (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!" Similar systems, when prescribed by physicians, can cost between \$300 to \$650 or more! That's why the SUPRA-12, with the patented SUPRA Valve and SENTRY Prolong Ring, is such an incredible value!

HUSTLER

APRIL SHOWERS

Wet dreams become realities in the April 1999 issue of HUSTLER. Janet Reno and porn star Mila pucker their flowering rectums in a drippy swirl of kissing girl/girl hemorrhoids. A trembling Kenneth Starr removes Monica Lewinsky's thong with his teeth and sucks cigar after cigar out of Monica's plus-size snizz in a magic act more remarkable than anything David Copperfield ever plucked out of Claudia Schiffer. If you believe any of what you've just read, you're the biggest April fool to grace the planet. In truth, you'll see strap-on-slurping Candy, baby dolls Paula and Devlin going down on each other in a steel crib, a three-finger-fucking blonde, plus further April foolishness that must be seen to be believed.

SEX-POSITIVE FEMINISTS EXPOSED

Experience vicarious thrills and chills with New York's most electrifying feminist freedom fighters as our secret, undercover slut invades New York's controversial sex-positive feminist underworld. Enjoy Q&A, cocktails, hors d'oeuvres, schmooze and lesbian cooze as HUSTLER's covert agent infiltrates the womyn-only, sex-positive seminar in *Sex, Fantasies and Fem Power: A Politically Incorrect Evening With Nancy Friday and Candida Royalle*.

TOOLS OF THE TRADE

Do you wanna be a porn star—or at least fuck like one? What does it take to be a porn stud, a reliable gunslinger who gets called back year after year to fuck the latest and greatest pussy in the porn industry? Hear all the secrets from porn's master swordsmen in April's *Sex Play*, "Tools of the Trade." Learn tips from the industry's top-name male talent: Buck Adams, Randy West, Tom Byron, as well as relative newcomers Vince Vouyer and Brad Armstrong. Read this one, and learn to fuck like a professional.

DROPLETS

April's HUSTLER also features an exclusive look at the grand opening of HUSTLER Hollywood, HUSTLER's exotic, erotic boutique. *Erotic Entertainment* takes a fiendish look back at AVN's Halloween-party pics. Witness the evolution of a porn chick, and learn what Jesus would do in *Bits & Pieces*. *Beaver Hunt* unfolds the flowers of America's heartland. April's HUSTLER will fool any pecker into believing that it's raining pussy juice 24 hours a day.
